<p>Risk Profile of the Scheme</p>	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Scheme specific Risk Factors are summarized in the SID. Certain key risks are summarised below:</p> <p>Interest Rate Risk: As with all debt and money market instruments, changes in interest rates will affect the scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and decrease as interest rates rise.</p> <p>Liquidity or Marketability Risk: This refers to the ease at which a security can be sold at or near its true value. The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer.</p> <p>Credit Risk: Credit risk or default risk refers to the risk which may arise due to default on the part of the issuer of the fixed income security (i.e. will be unable to make timely principal and interest payments on the security).</p> <p>Reinvestment Risk: This risk refers to the interest rate levels at which cash flows received from the securities in the scheme or from maturities in the scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk refers to the fall in the rate for reinvestment of interim cash flows.</p> <p>Risks associated with transaction in Units through Stock Exchange mechanism: Allotment and/or redemption of Units through NSE or BSE or any other recognized stock exchange on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing, settlement, etc., upon which the scheme has no control. Moreover, transactions conducted through the stock exchange mechanism will be governed by the operating guidelines and directives issued by the relevant recognized stock exchange.</p> <p>Please read the SID carefully for details on risk factors before investment. The scheme portfolio shall also have market risk, liquidity or marketability risk, credit risk etc. The Fund by utilizing a holistic risk management strategy will endeavour to manage risks associated with investing in debt markets. The risk control process involves identifying & measuring the risk through various risk measurement tools..</p> <p>Backstop facility in form of investment in Corporate Debt Market Development Fund (CDMDF): CDMDF is set up as a scheme of the Trust registered as an Alternative Investment Fund (AIF) in accordance with the SEBI (Alternative Investment Funds) Regulations, 2012 ("AIF Regulations"). The objective of the CDMDF is to help to develop the corporate debt market by providing backstop facility to instill confidence amongst the market participants in the corporate debt/bond market during times of market dislocation and to enhance the secondary market liquidity. In times of market dislocation, CDMDF shall purchase and hold eligible corporate debt securities from the participating investors (i.e., specified debt-oriented MF schemes to begin with) and sell as markets recover. The CDMDF will thus act as a key enabler for facilitating liquidity in the corporate debt market and to respond quickly in times of market dislocation. The trigger and period for which the backstop facility will be open shall be as decided by SEBI. Thus this backstop facility will help fund managers of the aforementioned Schemes to better generate liquidity during market dislocation to help the schemes fulfill liquidity obligations under stress situation.</p> <p>Investors are requested to read details disclosure on investment of the schemes in the CDMDF as listed in sub-section "C. How will the Scheme allocate its assets? And sub-section D. Where will the Scheme Invest" in Section "Section II- Information about the scheme" of SID.</p>

X Prevention of Money Laundering and Know your Customer (KYC)

According to SEBI Guidelines under 'The Prevention of Money Laundering Act, 2002', and SEBI Guidelines of AML/CFT dated February 03, 2023, as amended, Mutual Funds are required to follow enhanced know your customer (KYC) norms. Further, SEBI has also notified the Master Circular on Know Your Client (KYC) norms for the securities market dated October 12, 2023, with a view to bring uniformity in KYC requirements for the securities market and to develop a mechanism for centralization of the KYC records. Accordingly the following procedures shall apply:

- SEBI has introduced a common KYC Application Form for all the SEBI registered intermediaries viz. Mutual Funds, Portfolio Managers, Depository Participants, Stock Brokers, Venture Capital Funds, Collective Investment Schemes, etc. New unit holders are therefore requested to use the common KYC Application Form and carry out the KYC process including IPV with any SEBI registered intermediaries including mutual funds. The KYC Application Forms are also available on our website www.trustmf.com.

The Fund shall perform the initial KYC of its new unit holders and may undertake enhanced KYC measures commensurate with the risk profile of its unit holders in line with the aforementioned circulars/circulars issued by SEBI in this regard from time to time. The Fund shall upload the details of the unitholders on the system of the KYC Registration Agency ("KRA"). The Registrar & Transfer Agent of the Fund viz. KFinTech Private Limited ("KFinTech") may also undertake the KYC of the unit holders on behalf of the Fund. On receipt of the KYC documents from the Fund, the KRA shall send a letter to the unit holder within SEBI stipulated timelines, confirming the details thereof.
- Once the unit holder has done KYC with a SEBI registered intermediary, the unit holder need not undergo the same process again with another intermediary but can submit the letter/acknowledgment issued by the KRA.
- It is mandatory for intermediaries including mutual funds to carry out IPV of its new unit holders. The IPV carried out by any SEBI registered intermediary can be relied upon by the Fund. TAMPL and NISM/AMFI certified distributors who are Know Your Distributor (KYD) compliant are authorized to undertake the IPV for mutual fund unit holders. Further, in case of any applications received directly (i.e. without being routed through the distributors) from the unit holders, the Fund may rely upon the IPV (on the KYC Application Form) performed by the scheduled commercial banks.
- Existing KYC compliant unit holders of the Fund can continue to invest as per the current practice. However, existing unit holders are also urged to comply with the new KYC requirements including IPV as mandated by SEBI.

Application Form not accompanied by KYC Application Form or letter/acknowledgment issued by KRA may be rejected by the Fund. The KYC compliance status will be validated with the records of the KRA. AMC reserves the right to call for any additional information from the unit holders/applicant/ reject applications/subsequent application in order to fulfil the requirements of PMLA norms prescribed by SEBI/PMLA Regulation from time to time.
