This Key Information Memorandum (KIM) sets forth the information, which a prospective investor ought to know before investing. For further details of the scheme/Mutual Fund, due diligence certificate by the AMC, Key Personnel, investors’ rights & services, risk factors, penalties & pending litigations etc. investors should, before investment, refer to the Scheme Information Document and Statement of Additional Information available free of cost at any of the Investor Service Centres or distributors or from the website www.Bandhanmutual.com.

The Scheme particulars have been prepared in accordance with Securities and Exchange Board of India (Mutual Funds) Regulations 1996, as amended till date, and filed with Securities and Exchange Board of India (SEBI). The units being offered for public subscription have not been approved or disapproved by SEBI, nor has SEBI certified the accuracy or adequacy of this KIM.

This Key Information Memorandum is dated October 31, 2023.

INVESTMENT OBJECTIVE:

The Fund seeks to generate long term capital appreciation by investing predominantly in equities and equity linked securities of small cap segment.

Disclaimer: There is no assurance or guarantee that the objectives of the scheme will be realised.

ASSET ALLOCATION:

Instruments	Indicative Allocation (% of total assets)	Risk Profile
Equity and equity related instruments of Small Cap companies	65 – 100%	Very High
Equity and equity related instruments of Other companies	0 – 35%	Very High
Debt Securities and Money Market Instruments (including Government securities, Securitised debt and Cash and Cash equivalents)	0 – 35%	Low to Moderate
Units issued by REITs & InvITs	0 – 10%	Very High

Large Cap companies, Mid cap companies and Small cap companies shall have the meaning as defined by SEBI from time to time.

- Investment in Foreign securities - up to 35% of the total assets
- Investment in Securities lending – up to 20% of the total assets with maximum single party exposure restricted to 5% of the total assets
- Exposure in Derivatives (other than for hedging purpose) – up to 50% of total assets
- Gross Exposure to Repo of Corporate Debt Securities – upto the extent permitted by the Regulations (currently up to 10% of total assets, subject to change in line with the regulations from time to time)

The Scheme may engage in short selling of securities in accordance with the applicable guidelines / regulations. The scheme may invest in Credit Default Swaps (CDS) in accordance with the applicable regulations as and when permitted by SEBI/RBI up to the extent permitted by the regulations.

The cumulative gross exposure through equity, debt, Money market instruments, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt securities, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs) and such other securities/assets as may be permitted by the Board from time to time should not exceed 100% of the net assets of the scheme.

The current SEBI guidelines on categorisation of the companies based on market cap are as follows:

- Large Cap companies, Mid cap companies and Small cap companies are defined as follows:
- Large cap: 1st-100th company in terms of full market capitalisation.
- Mid cap: 101st-250th company in terms of full market capitalisation
- Small cap: 251st company onwards in terms of full market capitalisation.

For this purpose, list of stocks prepared by AMFI would be considered. AMFI would consider the following points:

- a. If a stock is listed on more than one recognised stock exchange, an average of full market capitalisation of the stock on all such stock exchanges, will be computed.
- b. In case a stock is listed on only one of the recognised stock exchanges, the full market capitalisation of that stock on such an exchange will be considered.
- c. The list of stocks would be uploaded on the AMFI website and the same would be updated every six months based on the data as on the end of June and December of each year. The data shall be available on the AMFI website within 5 calendar days from the end of the 6 months period.
- d. While preparing the single consolidated list of stocks, average full market capitalization of the previous six month of the stocks shall be considered.

Subsequent to any updation in the list, the Scheme will have to rebalance its portfolios (if required) in line with updated list, within a period of one month.

The SEBI guidelines on categorisation of companies based on market cap are subject to change from time to time and the Scheme will follow the guidelines as amended from time to time.

INVESTMENT STRATEGY:

The Fund seeks to capture opportunities available in the small cap segment. The fund shall invest a minimum of 65% of its corpus in the small cap space. The remaining portion will be invested depending on the market conditions and in line with the fund manager views.

RISK PROFILE OF THE SCHEME

Scheme Specific Risk Factors

1. The scheme would predominantly invest in Equity and Equity related instruments pertaining to Small cap companies in line with the Investment objective of the scheme. Investing in such companies may involve more risks than investing in large cap / mid cap companies on account of higher market volatility and market fluctuations, it may also accordingly affect returns of the investors. Historically, the small cap stocks have experienced lower liquidity than large cap/ mid cap stocks, hence the liquidity risks are also expected to be relatively higher. Thus, investing in the defined portfolio may involve greater risk as compared to investing in more liquid stocks forming part of instruments with large capitalization
2. The value of the Scheme's investments, may be affected generally by factors affecting securities markets, such as price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in policies of the Government, taxation laws or any other appropriate authority policies and other political and economic developments which may have an adverse bearing on individual securities, a specific sector or all sectors including equity and debt markets. Consequently, the NAV of the Units of the Scheme may fluctuate and can go up or down.
3. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. By the same rationale, the inability to sell securities held in the Scheme's portfolio due to the absence of a well developed and liquid secondary market for debt securities would result, at times, in potential losses to the Scheme, in case of a subsequent decline in the value of securities held in the Scheme's portfolio.

Risk related to equity and equity related securities

4. The Scheme proposes to invest in equity and equity related instruments. Equity instruments by nature are volatile and prone to price fluctuations on a daily basis due to both micro and macro factors. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of these investments. Different segments of financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. The inability of the Scheme(s) to make intended securities' purchases due to settlement problems could cause the Scheme(s) to miss certain investment opportunities.
5. While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges.
6. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of proceeds from sale of securities. The NAV of the Scheme(s) can go up and down because of various factors that affect the capital markets in general.
7. Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. Within the Regulatory limits, the AMC may choose to invest in unlisted securities that offer attractive yields. This may however increase the risk of the portfolio.

Risk related to fixed income securities

1. The NAV of the Scheme is likely to be affected by changes in the prevailing rates of interest.
2. Different types of securities in which the scheme would invest (bonds / money market instruments etc.) as given in the Scheme Information Document carry different levels and types of risks. Accordingly the scheme's risk may increase or decrease depending upon its investment pattern. Corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds which are AAA rated are comparatively less risky than bonds which are AA rated.

3. Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the Scheme(s) and may lead to the Scheme(s) incurring losses till the security is finally sold.
4. As zero coupon securities do not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio. Zero coupon or deep discount bonds are debt obligations that do not entitle the holder to any periodic payment of interest prior to maturity or a specified date when the securities begin paying current interest and therefore, are generally issued and traded at a discount to their face values. The discount depends on the time remaining until maturity or the date when securities begin paying current interest. It also varies depending on the prevailing interest rates, liquidity of the security and the perceived credit risk of the Issuer. The market prices of zero coupon securities are generally more volatile than the market prices of securities that pay interest periodically.
5. Apart from normal credit risk, zero coupon bonds carry an additional risk, unlike bonds that pay interest throughout the period to maturity, zero coupon instruments/deferred interest bonds typically would not realise any cash until maturity. If the issuer defaults, the Scheme may not obtain any return on its investment.
6. The AMC may, considering the overall level of risk of the portfolio, invest in lower rated/ unrated securities offering higher yields. This may increase the risk of the portfolio.
7. **Price-Risk or Interest-Rate Risk:** Fixed income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.
8. **Reinvestment Risk:** Investments in fixed income securities may carry reinvestment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.
9. **Credit Risk:** In simple terms this risk means that the issuer of a debenture/bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down.
10. **Basis Risk (Interest - rate movement):** During the life of a floating rate security or a swap, the underlying benchmark index may become less active and may not capture the actual movement in interest rates or at times the benchmark may cease to exist. These types of events may result in loss of value in the portfolio.
11. **Spread Risk:** In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. However, depending upon the market conditions, the spreads may move adversely or favourably leading to fluctuation in the NAV.
12. **Liquidity Risk:** Due to the evolving nature of the securities market, there may be an increased risk of liquidity risk in the portfolio from time to time.
13. **Other Risk:** In case of downward movement of interest rates, floating rate debt instruments will give a lower return than fixed rate debt instruments.
14. **Securities Lending:** Engaging in securities lending is subject to risks related to fluctuations in collateral value and settlement/liquidity and counter party risks. The risks in lending portfolio securities, as with other extensions of credit, consist of the failure of another party, in this case the approved intermediary, to comply with the terms of agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The Mutual Fund may not be able to sell such lent securities and this can lead to temporary illiquidity.
15. **Short-selling of Securities:** Purchasing a security entails the risk of the security price going down. Short selling of securities (i.e. sale of securities without owning them) entails the risk of the security price going up there by decreasing the profitability of the short position. Short selling is subject to risks related to fluctuations in market price, and settlement/liquidity risks. If required by the Regulations, short selling may entail margin money to be deposited with the clearing house and daily mark to market of the prices and margins. This may impact fund pricing and may induce liquidity risks if the fund is not able to provide adequate margins to the clearing house. Failure to meet margin requirements may result in penalties being imposed by the exchanges and clearing house.

RISK MANAGEMENT STRATEGIES

Risk associated with Equity Investments

Risk Description	Risk management strategy
<p>Market Risk The scheme is vulnerable to movements in the prices of securities invested by the scheme, which could have a material bearing on the overall returns from the scheme.</p>	<p>Market risk is a risk which is inherent to an equity scheme. The scheme may use derivatives to limit this risk.</p>

<p>The value of the Scheme’s investments, may be affected generally by factors affecting securities markets, such as price and volume, volatility in the capital markets, interest rates, currency exchange rates, changes in policies of the Government, taxation laws or any other appropriate authority policies and other political and economic developments which may have an adverse bearing on individual securities, a specific sector or all sectors including equity and debt markets.</p>	
<p>Liquidity risk The liquidity of the Scheme’s investments is inherently restricted by trading volumes in the securities in which it invests.</p>	<p>The fund seeks to control such risk by investing in such stocks having strong fundamentals, sound financial strength and superior quality of management and highly liquid papers. The fund will try to maintain a proper asset-liability match to ensure redemption payments are made on time and not affected by illiquidity of the underlying stocks.</p>
<p>Derivatives Risk As and when the Scheme trades in the derivatives market there are risk factors and issues concerning the use of derivatives that Investors should understand. Derivative products are specialized instruments that require investment techniques and risk analyses different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but also of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the “counter party”) to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.</p>	<p>The fund has provision for using derivative instruments in the manner permitted by SEBI from time to time. Investments in derivative instruments will be used as per local (RBI and SEBI) regulatory guidelines. The fund will endeavor to maintain adequate controls to monitor the derivatives transactions entered into.</p>

<p align="center">Risk associated with Debt Investments</p>	
<p align="center">Risk Description</p>	<p align="center">Risk management strategy</p>
<p>Market Risk As with all debt securities, changes in interest rates may affect the Scheme’s Net Asset Value as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long-term securities generally fluctuate more in response to interest rate changes than do short-term securities. Indian debt markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby to possible movements in the NAV.</p>	<p>In a rising interest rates scenario the Fund Managers will endeavor to increase its investment in money market securities whereas if the interest rates are expected to fall the allocation to debt securities with longer maturity will be increased thereby mitigating risk to that extent.</p>
<p>Liquidity or Marketability Risk This refers to the ease with which a security can be sold at or near to its valuation Yield-To-Maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today characteristic of the Indian fixed income market.</p>	<p>The Scheme may invest in government securities, corporate bonds and money market instruments. While the liquidity risk for government securities, money market instruments and short maturity corporate bonds may be low, it may be high in case of medium to long maturity corporate bonds. Liquidity risk is today characteristic of the Indian fixed income market. The fund will however, endeavor to minimise liquidity risk by investing in securities having a liquid market.</p>
<p>Credit Risk</p>	<p>A traditional SWOT analysis will be used for identifying company specific risks.</p>

<p>Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security). Because of this risk corporate debentures are sold at a higher yield above those offered on Government Securities which are sovereign obligations and free of credit risk. Normally, the value of a fixed income security will fluctuate depending upon the changes in the perceived level of credit risk as well as any actual event of default. The greater the credit risk, the greater the yield required for someone to be compensated for the increased risk.</p>	<p>Management's past track record will also be studied. In order to assess financial risk a detailed assessment of the issuer's financial statements will be undertaken to review its ability to undergo stress on cash flows and asset quality. A detailed evaluation of accounting policies, off balance sheet exposures, notes, auditors' comments and disclosure standards will also be made to assess the overall financial risk of the potential borrower. In case of securitized debt instruments, the fund will ensure that these instruments are sufficiently backed by assets.</p>
<p>Reinvestment Risk This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.</p>	<p>Reinvestment risks will be limited to the extent of coupons received on debt instruments, which will be a very small portion of the portfolio value.</p>
<p>Derivatives Risk As and when the Scheme trades in the derivatives market there are risk factors and issues concerning the use of derivatives that Investors should understand. Derivative products are specialized instruments that require investment techniques and risk analyses different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but also of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counter party") to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.</p>	<p>The fund has provision for using derivative instruments in the manner permitted by SEBI from time to time. Interest Rate Swaps will be done with approved counter parties under pre-approved ISDA agreements. Mark to Market of swaps, netting off of cash flow and default provision clauses will be provided as per international best practice on a reciprocal basis. Interest rate swaps and other derivative instruments will be used as per local (RBI and SEBI) regulatory guidelines.</p>

PLANS AND OPTIONS

The Scheme offers **Regular Plan & Direct Plan**.

Both the Plans will have separate NAV and a common portfolio.

Regular Plan: Regular plan is for investors purchasing / subscribing units in this scheme through distributors

Direct Plan: Direct Plan is only for investors who purchase /subscribe Units in a Scheme directly with the Fund and is not available for investors who route their investments through a distributor

Both the Plans under the Scheme offer **Income Distribution cum capital withdrawal Option[^] & Growth Option**. Income Distribution cum capital withdrawal Option under each Plan further offers choice of **Payout of Income Distribution cum capital withdrawal option & Transfer of Income Distribution cum capital withdrawal option**

[^]the amounts can be distributed out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains.

Please note that where the Unitholder has opted for Payout of Income Distribution cum capital withdrawal option and in case the amount of Income Distribution cum capital withdrawal payable to the Unitholder through Cheque / DD is Rs.100/- or less under a Folio, the same will be compulsorily reinvested in the Scheme.

- SIP - Rs.100 and in multiples or Rs. 1/- thereafter

Redemption:

Rs.500/- or the account balance of the investor, whichever is less.

The redemption will be at Applicable NAV based prices, subject to applicable exit load. In case an investor has purchased Units on more than one Business Day, the Units purchased prior in time (i.e. those Units which have been held for the longest period of time) will be deemed to have been redeemed first i.e. on a First-in First-Out basis.

Non applicability of Minimum Application Amount (Lump-sum) and Minimum Redemption amount

In line with clause 6.10 of SEBI Master Circular has inter alia mandated that upto 20% of gross annual CTC net of income tax and any statutory contributions of the Designated Employees of the AMCs shall be invested in units of the scheme(s) of the Fund in which they have a role/oversight The said guidelines came into effect from the October 1, 2021.

In accordance with the regulatory requirement, the minimum application amount and minimum redemption amount specified in the SID / KIM will not be applicable for investment made in scheme in compliance with the aforesaid circular(s).

DESPATCH OF REPURCHASE (REDEMPTION) REQUEST:

Within 3 working days of the receipt of the redemption request at the authorised centre of Bandhan Mutual Fund.

RIGHT TO RESTRICT REDEMPTION OR SUSPEND REDEMPTION IN THE SCHEME

The AMC/Trustee, at its sole discretion, reserves the right to impose restriction on redemption (including switches) or suspend redemption (including switches) from the Scheme in the general interest of the Unitholders of the Scheme and keeping in view the unforeseen circumstances/unusual market conditions.

Imposition of such restriction will be subject to following conditions:

- a) Restriction on redemption may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as:
 - i. Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security;
 - ii. Market failures, exchange closures;
 - iii. Operational issues – when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures.
- b) Restriction on redemption may be imposed for a period not exceeding 10 working days in any 90 days period.
- c) When restriction on redemption is so imposed, the following procedure shall be applied:
 - i. No redemption requests of value up to Rs.2 lakhs shall be subject to such restriction.
 - ii. For redemption request of value above Rs.2 lakhs, the first Rs.2 lakhs shall be redeemed without such restriction and the restriction shall apply for the redemption amount exceeding Rs.2 lakhs.

Any restriction on Redemption or suspension of redemption (including switches) of the Units in the Scheme shall be made applicable only after specific approval of the Board of Directors of the AMC and the Trustee Company and thereafter, immediately informing the same to SEBI.

It is clarified that since the occurrence of the abovementioned eventualities have the ability to impact the overall market and liquidity situation, the same may result in exceptionally large number of Redemption requests being made and in such a situation the indicative timelines (i.e. within 3 Business Days for schemes other than interval funds and within 1 Business Day for interval funds) mentioned by the Fund in the scheme offering documents, for processing of requests for Redemption may not be applicable.

The AMC / Trustee reserves the right to change / modify the provisions of right to restrict or suspend redemption of Units in the Scheme, subject to the applicable regulatory provisions from time to time.

Income Distribution cum capital withdrawal Policy:

Income Distribution cum capital withdrawal declaration and distribution shall be in accordance with SEBI Regulations as applicable from time to time. The AMC reserves the right to declare Income Distribution cum capital withdrawal from time to time, depending on availability of distributable surplus.

Income Distribution cum capital withdrawal:

The Income Distribution cum capital withdrawal warrants shall be dispatched to the unitholders within 7 working days from the record date.

DELAY IN PAYMENT OF REDEMPTION / REPURCHASE PROCEEDS AND INCOME DISTRIBUTION CUM CAPITAL WITHDRAWAL WARRANTS:

The Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).

TREATMENT OF UNCLAIMED INCOME DISTRIBUTION CUM CAPITAL WITHDRAWAL AND REDEMPTION AMOUNTS

In accordance with clause 14.3 of SEBI Master Circular, the unclaimed Redemption amount and IDCW amount that are currently allowed to be deployed by the Mutual Fund only in call money market or money market Instruments, shall also be allowed to be invested in a separate plan of only Overnight scheme / Liquid scheme / Money Market Mutual Fund scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts.

Provided that such schemes where the unclaimed redemption and dividend amounts are deployed shall be only those Overnight scheme/ Liquid scheme / Money Market Mutual Fund schemes which are placed in A-1 cell (Relatively Low Interest Rate Risk and Relatively Low Credit Risk) of Potential Risk Class matrix.

AMCs shall not be permitted to charge any exit load in this plan and TER (Total Expense Ratio) of such plan shall be capped as per the TER of direct plan of such scheme or at 50 bps, whichever is lower.

Further, for the Unclaimed redemption and dividend amounts deployed by Mutual Funds in Call Money Market or Money Market instruments, the investment management and advisory fee charged by the AMC for managing unclaimed amounts shall not exceed 50 basis points.

Investors who claim the unclaimed amounts during a period of three years from the due date shall be paid initial unclaimed amount along-with the income earned on its deployment. Investors, who claim these amounts after 3 years, shall be paid initial unclaimed amount along-with the income earned on its deployment till the end of the third year. After the third year, the income earned on such unclaimed amounts shall be used for the purpose of investor education.

The investors can visit the website of the AMC to check the unclaimed amount in their folios.

UNITHOLDERS' INFORMATION:**ACCOUNT STATEMENTS****For fresh purchase during ongoing sales with creation of a new Folio:**

- The AMC shall allot the units to the applicant whose application has been accepted and also send confirmation specifying the number of units allotted to the applicant by way of email and/or SMS's to the applicant's registered email address and/or mobile number within five working days from the date of closure of the transaction.
- The AMC shall issue to the investor whose application has been accepted, an account statement specifying the number of units allotted within five business days of closure of transaction. For allotment in demat form the account statement shall be sent by the depository / depository participant, and not by the AMC.
- For allotment in demat form, the AMC shall issue units in dematerialized form to a unit holder within two working days of the receipt of request from the unit holder.
- For those unitholders who have provided an e-mail address, the AMC will send the account statement by e-mail instead of physical statement.
- The unitholder may request for an account statement by writing / calling us at any of the ISC and the AMC shall provide the account statement to the investor within 5 business days from the receipt of such request.
- The holding(s) of the beneficiary account holder for units held in demat mode will be shown in the statement issued by respective Depository Participants (DPs) periodically.

Pursuant to clause 14.4 of SEBI Master Circular, investors are requested to note the following regarding dispatch of account statements:

A) Consolidated Account Statement (CAS) - for Unitholders who have registered their PAN / PEKRN with the Mutual Fund:

Investors who hold demat account and have registered their PAN with the mutual fund:

For transactions in the schemes of Bandhan Mutual Fund, a Consolidated Account Statement, based on PAN of the holders, shall be sent by Depositories to investors holding demat account, for each calendar month on or before

fifteenth day of the succeeding month to the investors in whose folios transactions have taken place during that month.

Due to this regulatory change, AMC has now ceased sending account statement (physical / e-mail) to the investors after every financial transaction including systematic transactions.

The CAS shall be generated on a monthly basis. AMCs/ RTAs shall share the requisite information with the Depositories on monthly basis to enable generation of CAS. Consolidation of account statement shall be done on the basis of PAN. In case of multiple holding, it shall be the PAN of the first holder and pattern of holding. Based on the PANs provided by the AMCs/MF-RTAs, the Depositories shall match their PAN database to determine the common PANs and allocate the PANs among themselves for the purpose of sending CAS. For PANs which are common between depositories and AMCs, the Depositories shall send the CAS.

In case investors have multiple accounts across the two depositories, the depository having the demat account which has been opened earlier shall be the default depository which will consolidate details across depositories and MF investments and dispatch the CAS to the investor. However, option shall be given to the demat account holder by the default depository to choose the depository through which the investor wishes to receive the CAS.

In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send the account statement to the investor as specified under the regulations applicable to the depositories.

Consolidated account statement sent by Depositories is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, payout of Income Distribution cum capital withdrawal option, reinvestment of Income Distribution cum capital withdrawal option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and transaction in dematerialised securities across demat accounts of the investors and holding at the end of the month. The CAS shall also provide the total purchase value / cost of investment in each scheme.

Further, a consolidated account statement shall be sent by Depositories every half yearly (September/March), on or before twenty first day of succeeding month, providing the following information:

- holding at the end of the six month
- The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods & Services Tax (wherever applicable, as per existing rates), operating expenses, etc.
- The scheme's average Total Expense Ratio (in percentage terms) along with the break up between investment and advisory fees, commission paid to the distributor and other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in. Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS. Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN.

For Unit Holders who have provided an e-mail address to the Mutual Fund or in KYC records, the CAS will be sent by e-mail. However, where an investor does not wish to receive CAS through email, option shall be given to the investor to receive the CAS in physical form at the address registered in the Depository system.

Investors who do not wish to receive CAS sent by depositories have an option to indicate their negative consent. Such investors may contact the depositories to opt out.

Other investors:

The Consolidated Account Statement (CAS) for each calendar month shall be issued on or before fifteenth day of succeeding month to the investors who have provided valid Permanent Account Number (PAN) / PAN Exempt KYC Registration Number (PEKRN).

Due to this regulatory change, AMC has now ceased sending physical account statement to the investors after every financial transaction including systematic transactions.

The CAS shall be generated on a monthly basis. The Consolidated Account Statement issued is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, payout of Income Distribution cum capital withdrawal option, reinvestment of Income Distribution cum capital withdrawal option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and holding at the end of the month. The CAS shall also provide the total purchase value / cost of investment in each scheme.

Further, a consolidated account statement shall be issued every half yearly (September/March), on or before twenty first day of succeeding month, providing the following information:

- holding at the end of the six month
- The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods & Services Tax (wherever applicable, as per existing rates), operating expenses, etc.
- The scheme's average Total Expense Ratio (in percentage terms) along with the break up between investment and advisory fees, commission paid to the distributor and other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in. Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

The CAS will be sent via email (instead of physical statement) where any of the folios consolidated has an email id or to the email id of the first unit holder as per KYC records.

B) For Unitholders who have not registered their PAN / PEKRN with the Mutual Fund:

For folios not included in the Consolidated Account Statement (CAS):

- The AMC shall allot the units to the applicant whose application has been accepted and also send confirmation specifying the number of units allotted to the applicant by way of email and/or SMS's to the applicant's registered email address and/or mobile number within five working days from the date of transaction.
- The AMC shall issue account statement to the investors on a monthly basis, pursuant to any financial transaction in such folios on or before tenth day of succeeding month. The account statement shall contain the details relating to all financial transactions made by an investor during the month, the holding as at the end of the month and shall also provide the total purchase value / cost of investment in each scheme.
- For those unitholders who have provided an e-mail address, the AMC will send the account statement by e-mail instead of physical statement.
- The unitholder may request for an account statement by writing / calling us at any of the ISC and the AMC shall provide the account statement to the investor within 5 business days from the receipt of such request.

Further, an account statement shall be sent by the AMC every half yearly (September/March), on or before Twenty First day of succeeding month, providing the following information:

- holding at the end of the six month
- The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods & Services Tax (wherever applicable, as per existing rates), operating expenses, etc.
- The scheme's average Total Expense Ratio (in percentage terms) along with the break up between investment and advisory fees, commission paid to the distributor and other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

Such half-yearly account statement shall be issued to all investors, excluding those investors who do not have any holdings in Bandhan MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

C) For all Unitholders

In case of a specific request received from the unit holder, the AMC shall provide the account statement to the investor within 5 business days from the receipt of such request.

Monthly and Half Yearly Portfolio Disclosures:

The Mutual Fund/AMC shall e-mail to all unitholders (if an e-mail address is provided) the complete scheme portfolio as at the end of each month and each half year (i.e., 31st March and 30th September) within ten days of end of the month/half year. These shall also be displayed on the website of the Mutual Fund (www.Bandhanmutual.com) and that of AMFI (www.amfiindia.com) in a user-friendly and downloadable spreadsheet format. Investors may also place a specific request to the Mutual Fund for sending the half yearly portfolio through email. The Mutual Fund shall publish an advertisement disclosing uploading of such half yearly scheme portfolios on its website, in all India editions of one English and one Hindi daily newspaper. The Mutual Funds shall provide a physical copy of the scheme portfolio, without charging any cost, on specific request received from a unitholder.

Half Yearly Financial Results

The Mutual Fund shall within one month from the close of each half year, that is on 31st March and on 30th September, host a soft copy of its unaudited financial results on their website and shall publish an advertisement disclosing the hosting of such financial results on their website, in atleast one English daily newspaper having nationwide circulation and in a newspaper having wide circulation published in the language of the region where the Head Office of the mutual fund is situated.

The unaudited financial results will be displayed on the website of the Mutual Fund (www.Bandhanmutual.com) and that of AMFI (www.amfiindia.com).

Risk-o-meter

In accordance with clause 5.16 of SEBI Master Circular, Mutual Fund shall disclose, to the investors in which the unit holders are invested,

(a) risk-o-meter of the scheme and benchmark while disclosing the performance of scheme vis-à-vis benchmark and
(b) details of the scheme portfolio including the scheme risk-o-meter, name of benchmark and risk-o-meter of benchmark while communicating the fortnightly, monthly and half-yearly statement of scheme portfolio via email.

Further, pursuant to clause 17.4.1.h, any change in risk-o-meter shall be communicated by way of Notice cum Addendum and by way of an e-mail or SMS to unitholders of that particular scheme.

Risk-o-meter shall be evaluated on a monthly basis and Mutual Funds/AMCs shall disclose the Risk-o-meter along with portfolio disclosure for all their schemes on the website of the Mutual Fund (www.bandhanmutual.com) and that of AMFI (www.amfiindia.com) within 10 days from the close of each month.

Mutual Fund shall also disclose the risk level of schemes as on March 31 of every year, along with number of times the risk level has changed over the year, on its website and AMFI website.

Investors may please note that the Risk-o-meter disclosed is based on the guidelines specified by SEBI under clause 17.4 of SEBI Master Circular.

Scheme Summary Document

Pursuant to SEBI advisory dated December 28, 2021, a standalone scheme document called 'Scheme Summary Document' for all the Schemes of Bandhan Mutual Fund has been hosted on its website (www.bandhanmutual.com) which contains all the details of the Schemes including but not limited to Scheme features, Fund Manager details, investment details, investment objective, expense ratios, portfolio details, etc. The Scheme Summary Document is uploaded on the website of the Mutual Fund, AMFI and stock exchanges in 3 data formats i.e. PDF, Spreadsheet and a machine readable format (either JSON or XML).

Annual Report

The Scheme wise annual report or an abridged summary hereinafter shall be sent by AMC/Mutual Fund as under:

- (i) by e-mail to the Unit holders whose e-mail address is available with the Fund,
- (ii) in physical form to the Unit holders whose email address is not available with the Fund and who have expressly opted-in to receive physical copy of the same.

The scheme wise annual report or an abridged summary shall be sent by mail/e-mail not later than four months from the date of closure of the relevant accounting year (i.e. 31st March each year).

The physical copy of the scheme wise annual report or abridged summary shall be made available to the investors at the registered office of the AMC. Physical copy of the abridged summary of the Annual Report shall be provided to the unitholder, without charging any cost, on such specific request by the unitholder.

A link of the scheme annual report shall be displayed prominently on the website of the Mutual Fund (www.Bandhanmutual.com) and that of AMFI (www.amfiindia.com). The Mutual Fund shall publish an advertisement disclosing uploading of such scheme annual report thereof on its website, in all India editions of one English and one Hindi daily newspaper.

MFCentral as Official Point of Acceptance:

For enhancing investors' experience in Mutual Fund transactions / service requests, the Qualified RTAs (QRTA's), Kfin Technologies Private Limited (Kfintech) and Computer Age Management Services Limited (CAMS) have jointly developed MFCentral - A digital platform for Mutual Fund investors.

MFCentral is created with an intent to be a one stop portal / mobile app for all Mutual fund investments and service-related needs that significantly reduces the need for submission of physical documents by enabling various digital / phygital services to Mutual fund investors across fund houses subject to applicable Terms & Conditions of the Platform. MFCentral may be accessed using <https://mfcentral.com/>

Any registered user of MFCentral, requiring submission of physical document as per the requirements of MFCentral, may do so at any of the designated Investor Service centres or collection centres of Kfintech or CAMS.
