INVESTMENT STRATEGY:

The Fund seeks to capture opportunities available in the mid-cap segment. The fund shall invest a minimum of 65% of its corpus in the mid-cap space. The remaining portion will be invested depending on the market conditions and in line with the fund manager's views.

The emphasis would be on identifying high-quality companies in the mid-cap segment with better growth prospects, sound corporate management, and favorable risk-reward from a medium to long-term perspective. In selecting specific stocks, the Asset Management Company will consider and evaluate amongst various criteria net worth, sustainable business models, consistent growth, strong cash flows, sound professional management, track record, industry scenario, growth prospects, market liquidity of the securities, etc.

CREATION OF SEGREGATED PORTFOLIO

The AMC may create segregated portfolio of debt and money market instruments in a mutual fund scheme in case of a credit event / actual default and to deal with liquidity risk.

In this regard, the term 'segregated portfolio' shall mean a portfolio comprising of debt or money market instrument affected by a credit event / actual default that has been segregated in a mutual fund scheme and the term 'main portfolio' shall mean the scheme portfolio excluding the segregated portfolio. The term 'total portfolio' shall mean the scheme portfolio including the securities affected by the credit event / actual default.

A segregated portfolio may be created in a mutual fund scheme in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:

- a. Downgrade of a debt or money market instrument to 'below investment grade', or
- b. Subsequent downgrades of the said instruments from 'below investment grade', or
- c. Similar such downgrades of a loan rating.

In case of difference in rating by multiple CRAs, the most conservative rating shall be considered. Creation of segregated portfolio shall be based on issuer level credit events as detailed above and implemented at ISIN level.

Further, segregated portfolio of unrated debt or money market instruments may also be created in case of actual default of either the interest or principal amount.

Monitoring by Trustees:

1. In order to ensure timely recovery of investments of the segregated portfolio, trustees will ensure that:
 - a. The AMC puts in sincere efforts to recover the investments of the segregated portfolio.
 - b. Upon recovery of money, whether partial or full, it shall be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio.
 - c. An action taken report on the efforts made by the AMC to recover the investments of the segregated portfolio is placed in every trustee meeting till the investments are fully recovered / written-off.
 - d. The trustees shall monitor the compliance of guidelines prescribed by SEBI in this regard and disclose in the half-yearly trustee reports filed with SEBI, the compliance in respect to every segregated portfolio created.

2. In order to avoid misuse of the segregated portfolio facility, the Trustees have ensured that the AMC has a mechanism in place to negatively impact the performance incentives of the Fund Manager, Chief Investment Officer (CIO), etc involved in investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the Scheme.

For detailed process for creation of segregated portfolios, illustration on how segregated portfolios will work, etc. please refer to the Scheme Information Document / Statement of Additional Information (SAI) available on the Mutual Fund's website.

The Scheme may participate in securities lending as permitted under the Regulations. Investment in overseas securities shall be made in accordance with the requirements stipulated by SEBI and RBI from time to time.

Pending deployment of funds of the Scheme in securities in terms of the investment objective of the Scheme, the AMC may park the funds of the Scheme in short term deposits of scheduled commercial banks, subject to the guidelines issued by SEBI vide para 12.16 of Master circular dated May 19, 2023 as amended from time to time. The AMC shall not charge any investment management and advisory fees for parking of funds in such short term deposits of scheduled commercial banks for the scheme.

RISK PROFILE OF THE SCHEME

Scheme Specific Risk Factors

1. In line with its investment objective, the scheme will be required to maintain a minimum exposure of 65% to the mid cap market segment at all times regardless of the prevailing market conditions/ fundamental outlook, macroeconomic environment, liquidity/prospects of the companies in this segment. These factors may impede the ability of the fund manager to align the portfolio in line with market expectations potentially exposing the Scheme to periods of volatile performance. Maintaining at least 65% exposure to mid-cap market segment may expose the scheme to higher liquidity risk. This may result in volatility in scheme performance depending on outlook for this market cap segment. The market cap segment invested in by the Scheme is as per current regulatory definition and maybe subject to change in future
2. The companies are subject to risks arising from exchange rate fluctuations.
3. The value of the Scheme's investments, may be affected generally by factors affecting securities markets, such as price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in policies of the Government, taxation laws or any other appropriate authority policies and other political and economic developments which may have an adverse bearing on individual securities, a specific sector or all sectors including equity and debt markets. Consequently, the NAV of the Units of the Scheme may fluctuate and can go up or down.
4. While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges. Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the Scheme(s) and may lead to the Scheme(s) incurring losses till the security is finally sold.
5. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of proceeds from sale of securities. The NAV of the Scheme(s) can go up and down because of various factors that affect the capital markets in general.
6. Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. Within the Regulatory limits, the AMC may choose to invest in unlisted securities that offer attractive yields. This may however increase the risk of the portfolio.
7. The NAV of the Scheme is likely to be affected by changes in the prevailing rates of interest.
8. The AMC may, considering the overall level of risk of the portfolio, invest in lower rated/ unrated securities offering higher yields. This may increase the risk of the portfolio.
9. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. By the same rationale, the inability to sell securities held in the Scheme's portfolio due to the absence of a well developed and liquid secondary market for debt securities would result, at times, in potential losses to the Scheme, in case of a subsequent decline in the value of securities held in the Scheme's portfolio.
10. Different types of securities in which the scheme would invest (bonds / money market instruments etc.) as given in the Scheme Information Document carry different levels and types of risks. Accordingly the scheme's risk may increase or decrease depending upon its investment pattern. Corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds which are AAA rated are comparatively less risky than bonds which are AA rated.
11. As zero coupon securities do not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio. Zero coupon or deep discount bonds are debt obligations that do not entitle the holder to any periodic payment of interest prior to maturity or a specified date when the securities begin paying current interest and therefore, are generally issued and traded at a discount to their face values. The discount depends on the time remaining until maturity or the date when securities begin paying current interest. It also varies depending on the prevailing interest rates, liquidity of the security and the perceived credit risk of the Issuer. The market prices of zero coupon securities are generally more volatile than the market prices of securities that pay interest periodically.
12. Apart from normal credit risk, zero coupon bonds carry an additional risk, unlike bonds that pay interest throughout the period to maturity, zero coupon instruments/deferred interest bonds typically would not realise any cash until maturity. If the issuer defaults, the Scheme may not obtain any return on its investment.
13. **Price-Risk or Interest-Rate Risk:** Fixed income securities such as bonds, debentures and money market

instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.

14. **Reinvestment Risk:** Investments in fixed income securities may carry reinvestment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.
15. **Credit Risk:** In simple terms this risk means that the issuer of a debenture/bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down.
16. **Basis Risk (Interest - rate movement):** During the life of a floating rate security or a swap, the underlying benchmark index may become less active and may not capture the actual movement in interest rates or at times the benchmark may cease to exist. These types of events may result in loss of value in the portfolio.
17. **Spread Risk:** In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. However, depending upon the market conditions, the spreads may move adversely or favourably leading to fluctuation in the NAV.
18. **Liquidity Risk:** Due to the evolving nature of the floating rate market, there may be an increased risk of liquidity risk in the portfolio from time to time.
19. **Other Risk:** In case of downward movement of interest rates, floating rate debt instruments will give a lower return than fixed rate debt instruments.
20. **Securities Lending:** Engaging in securities lending is subject to risks related to fluctuations in collateral value and settlement/liquidity and counter party risks. The risks in lending portfolio securities, as with other extensions of credit, consist of the failure of another party, in this case the approved intermediary, to comply with the terms of agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The Mutual Fund may not be able to sell such lent securities and this can lead to temporary illiquidity.
21. **Short-selling of Securities:** Purchasing a security entails the risk of the security price going down. Short selling of securities (i.e. sale of securities without owning them) entails the risk of the security price going up there by decreasing the profitability of the short position. Short selling is subject to risks related to fluctuations in market price, and settlement/liquidity risks. If required by the Regulations, short selling may entail margin money to be deposited with the clearing house and daily mark to market of the prices and margins. This may impact fund pricing and may induce liquidity risks if the fund is not able to provide adequate margins to the clearing house. Failure to meet margin requirements may result in penalties being imposed by the exchanges and clearing house.

Risks associated with segregated portfolio:

1. **Liquidity risk –** A segregated portfolio is created when a credit event / default occurs at an issuer level in the scheme. This may reduce the liquidity of the security issued by the said issuer, as demand for this security may reduce. This is also further accentuated by the lack of secondary market liquidity for corporate papers in India. As per SEBI norms, the scheme is to be closed for redemption and subscriptions until the segregated portfolio is created, running the risk of investors being unable to redeem their investments. However, it may be noted that, the proposed segregated portfolio is required to be formed within one day from the occurrence of the credit event. Investors may note that no redemption and subscription shall be allowed in the segregated portfolio. However, in order to facilitate exit to unit holders in segregated portfolio, AMC shall list the units of the segregated portfolio on a recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests. For the units listed on the exchange, it is possible that the market price at which the units are traded may be at a discount to the NAV of such Units. There is no assurance that an active secondary market will develop for units of segregated portfolio listed on the stock exchange. This could limit the ability of the investors to resell them.
2. **Valuation risk -** The valuation of the securities in the segregated portfolio is required to be carried out in line with the applicable SEBI guidelines. However, it may be difficult to ascertain the fair value of the securities due to absence of an active secondary market and difficulty to price in qualitative factors.

For more disclosures on Risk factors, please refer to Scheme Information Document.

RISK MANAGEMENT STRATEGIES

Risk Description	Risk management strategy
Quality risk: Risk of investing in fund with poor performance	Fund universe carefully selected to only include high quality schemes
Liquidity risk: Risk of liquidity impact of entering/exiting the underlying funds	Scheme will endeavor to ensure that the investment made by the scheme of the underlying funds is not material to the overall AUM of the underlying scheme.
Concentration risk: Risk of undue concentration in the portfolio	As the Scheme will predominantly invest in units of Underlying Funds which invest in US Securities, the Scheme carries concentration risk. However, Underlying Funds may have diversified portfolios comprising equities of various companies and concentration risk to that extent is minimized.
Volatility: Price volatility due to volatility in the equity and debt markets	Control the asset allocation of the scheme to the equity and debt markets manage volatility.
Derivatives risk: As and when the Scheme trades in the derivatives market there are risk factors and issues concerning the use of derivatives that Investors should understand. Derivative products are specialized instruments that require investment techniques and risk analyses different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but also of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the “counter party”) to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.	The fund has provision for using derivative instruments in the manner permitted by SEBI from time to time. Interest Rate Swaps will be done with approved counter parties under pre-approved ISDA agreements. Mark to Market of swaps, netting off of cash flow and default provision clauses will be provided as per international best practice on a reciprocal basis. Interest rate swaps and other derivative instruments will be used as per local (RBI and SEBI) regulatory guidelines.

PLANS AND OPTIONS

The Scheme offers **Regular Plan & Direct Plan**.

Both the Plans will have separate NAV and a common portfolio.

Regular Plan: Regular plan is for investors purchasing / subscribing units in this scheme through distributors

In case an investor has purchased Units on more than one Business Day, the Units purchased prior in time (i.e. those Units which have been held for the longest period of time) will be deemed to have been redeemed first i.e. on a First-in First-Out basis.

Non applicability of Minimum Application Amount (Lump-sum) and Minimum Redemption amount

In line with clause 6.10 of SEBI Master Circular has inter alia mandated that upto 20% of gross annual CTC net of income tax and any statutory contributions of the Designated Employees of the AMC's shall be invested in units of the scheme(s) of the Fund in which they have a role/oversight The said guidelines came into effect from the October 1, 2021.

In accordance with the regulatory requirement, the minimum application amount and minimum redemption amount specified in the SID / KIM will not be applicable for investment made in scheme in compliance with the aforesaid circular(s).

DESPATCH OF REPURCHASE (REDEMPTION) REQUEST:

Within 3 working days of the receipt of the redemption request at the authorised centre of Bandhan Mutual Fund.

RIGHT TO RESTRICT REDEMPTION OR SUSPEND REDEMPTION IN THE SCHEME

The AMC/Trustee, at its sole discretion, reserves the right to impose restriction on redemption (including switches) or suspend redemption (including switches) from the Scheme in the general interest of the Unitholders of the Scheme and keeping in view the unforeseen circumstances/unusual market conditions.

Imposition of such restriction will be subject to following conditions:

- a) Restriction on redemption may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as:
 - i. Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security;
 - ii. Market failures, exchange closures;
 - iii. Operational issues – when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures.
- b) Restriction on redemption may be imposed for a period not exceeding 10 working days in any 90 days period.
- c) When restriction on redemption is so imposed, the following procedure shall be applied:
 - i. No redemption requests of value up to Rs.2 lakhs shall be subject to such restriction.
 - ii. For redemption request of value above Rs.2 lakhs, the first Rs.2 lakhs shall be redeemed without such restriction and the restriction shall apply for the redemption amount exceeding Rs.2 lakhs.

Any restriction on Redemption or suspension of redemption (including switches) of the Units in the Scheme shall be made applicable only after specific approval of the Board of Directors of the AMC and the Trustee Company and thereafter, immediately informing the same to SEBI.

It is clarified that since the occurrence of the abovementioned eventualities have the ability to impact the overall market and liquidity situation, the same may result in exceptionally large number of Redemption requests being made and in such a situation the indicative timelines (i.e. within 3 Business Days for schemes other than interval funds and within 1 Business Day for interval funds) mentioned by the Fund in the scheme offering documents, for processing of requests for Redemption may not be applicable.

The AMC / Trustee reserves the right to change / modify the provisions of right to restrict or suspend redemption of Units in the Scheme, subject to the applicable regulatory provisions from time to time.

INCOME DISTRIBUTION CUM CAPITAL WITHDRAWAL POLICY:

Income Distribution cum Capital Withdrawal declaration and distribution shall be in accordance with SEBI Regulations as applicable from time to time. The AMC reserves the right to declare Income Distribution cum Capital Withdrawal from time to time, depending on availability of distributable surplus. There is no assurance or guarantee to Unitholders as to the rate of Income Distribution cum Capital Withdrawal distribution nor will that Income Distribution cum Capital Withdrawal be paid, though it is the intention of the Mutual Fund to make Income Distribution cum Capital Withdrawal distributions.

Income Distribution cum Capital Withdrawal, if declared, will be paid out of the net surplus of the Scheme to those Unit holders whose names appear in the Register of Unitholders on the record date. The actual date for declaration of Income Distribution cum Capital Withdrawal will be notified suitably to the Registrar. It may be noted that pursuant to payment of Income Distribution cum Capital Withdrawal, NAV of the Income Distribution cum Capital Withdrawal option of the Scheme would fall to the extent of Income Distribution cum Capital Withdrawal payout and statutory levy, if any.

Income Distribution cum Capital Withdrawal :

The Income Distribution cum Capital Withdrawal warrants shall be dispatched to the unitholders within 7 working days from the record date.

DELAY IN PAYMENT OF REDEMPTION / REPURCHASE PROCEEDS AND INCOME DISTRIBUTION CUM CAPITAL WITHDRAWAL WARRANTS:

The Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).

Treatment of Unclaimed Income Distribution cum capital withdrawal and redemption amounts

In accordance with clause 14.3 of SEBI Master Circular, the unclaimed Redemption amount and IDCW amount that are currently allowed to be deployed by the Mutual Fund only in call money market or money market Instruments, shall also be allowed to be invested in a separate plan of only Overnight scheme / Liquid scheme / Money Market Mutual Fund scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts.

Provided that such schemes where the unclaimed redemption and dividend amounts are deployed shall be only those Overnight scheme/ Liquid scheme / Money Market Mutual Fund schemes which are placed in A-1 cell (Relatively Low Interest Rate Risk and Relatively Low Credit Risk) of Potential Risk Class matrix.

AMCs shall not be permitted to charge any exit load in this plan and TER (Total Expense Ratio) of such plan shall be capped as per the TER of direct plan of such scheme or at 50 bps, whichever is lower.

Further, for the Unclaimed redemption and dividend amounts deployed by Mutual Funds in Call Money Market or Money Market instruments, the investment management and advisory fee charged by the AMC for managing unclaimed amounts shall not exceed 50 basis points.

UNITHOLDERS' INFORMATION:

Account Statements

For fresh purchase during ongoing sales with creation of a new Folio:

- The AMC shall allot the units to the applicant whose application has been accepted and also send confirmation specifying the number of units allotted to the applicant by way of email and/or SMS's to the applicant's registered email address and/or mobile number within five working days from the date of closure of the transaction.
- The AMC shall issue to the investor whose application has been accepted, an account statement specifying the number of units allotted within five business days of closure of transaction. For allotment in demat form the account statement shall be sent by the depository / depository participant, and not by the AMC.
- For allotment in demat form, the AMC shall issue units in dematerialized form to a unit holder within 2 working days of receipt of request from the unit holder.
- For those unitholders who have provided an e-mail address, the AMC will send the account statement by e-mail instead of physical statement.
- The unitholder may request for an account statement by writing / calling us at any of the ISC and the AMC shall provide the account statement to the investor within 5 business days from the receipt of such request.
- The holding(s) of the beneficiary account holder for units held in demat mode will be shown in the statement issued by respective Depository Participants (DPs) periodically.

Pursuant to clause 14.4 of SEBI Master Circular, investors are requested to note the following regarding dispatch of account statements:

A) Consolidated Account Statement (CAS) - for Unitholders who have registered their PAN / PEKRN with the Mutual Fund:

Investors who hold demat account and have registered their PAN with the mutual fund:

For transactions in the schemes of Bandhan Mutual Fund, a Consolidated Account Statement, based on PAN of the holders, shall be sent by Depositories to investors holding demat account, for each calendar month on or before fifteenth day of the succeeding month to the investors in whose folios transactions have taken place during that month.

Due to this regulatory change, AMC has now ceased sending account statement (physical / e-mail) to the investors after every financial transaction including systematic transactions.

The CAS shall be generated on a monthly basis. AMCs/ RTAs shall share the requisite information with the Depositories on monthly basis to enable generation of CAS. Consolidation of account statement shall be done on the basis of PAN. In case of multiple holding, it shall be the PAN of the first holder and pattern of holding. Based on the PANs provided by the AMCs/MF-RTAs, the Depositories shall match their PAN database to determine the common PANs and allocate the PANs among themselves for the purpose of sending CAS. For PANs which are common between depositories and AMCs, the Depositories shall send the CAS.

In case investors have multiple accounts across the two depositories, the depository having the demat account which has been opened earlier shall be the default depository which will consolidate details across depositories and MF investments and dispatch the CAS to the investor. However, option shall be given to the demat account holder by the default depository to choose the depository through which the investor wishes to receive the CAS.

In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send the account statement to the investor as specified under the regulations applicable to the depositories.

Consolidated account statement sent by Depositories is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, payout of Income Distribution cum Capital Withdrawal option, reinvestment of Income Distribution cum Capital Withdrawal option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and transaction in dematerialised securities across demat accounts of the investors and holding at the end of the month. The CAS shall also provide the total purchase value / cost of investment in each scheme.

Further, a consolidated account statement shall be sent by Depositories every half yearly (September/March), on or before twenty first day of succeeding month, providing the following information:

- holding at the end of the six month
- The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods & Services Tax (wherever applicable, as per existing rates), operating expenses, etc.
- The scheme's average Total Expense Ratio (in percentage terms) along with the break up between investment and advisory fees, commission paid to the distributor and other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS. Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN.

For Unit Holders who have provided an e-mail address to the Mutual Fund or in KYC records, the CAS will be sent by e-mail. However, where an investor does not wish to receive CAS through email, option shall be given to the investor to receive the CAS in physical form at the address registered in the Depository system.

Investors who do not wish to receive CAS sent by depositories have an option to indicate their negative consent. Such investors may contact the depositories to opt out.

Other investors:

The Consolidated Account Statement (CAS) for each calendar month shall be issued on or before fifteenth day of succeeding month to the investors who have provided valid Permanent Account Number (PAN) / PAN Exempt KYC Registration Number (PEKRN).

Due to this regulatory change, AMC has now ceased sending physical account statement to the investors after every financial transaction including systematic transactions.

The CAS shall be generated on a monthly basis. The Consolidated Account Statement issued is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, payout of Income Distribution cum Capital Withdrawal option, reinvestment of Income Distribution cum Capital Withdrawal option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and holding at the end of the month. The CAS shall also provide the total purchase value / cost of investment in each scheme.

Further, a consolidated account statement shall be issued every half yearly (September/March), on or before twenty first day of succeeding month, providing the following information:

- holding at the end of the six month
- The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS

indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods & Services Tax (wherever applicable, as per existing rates), operating expenses, etc.

- The scheme's average Total Expense Ratio (in percentage terms) along with the break up between investment and advisory fees, commission paid to the distributor and other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

The CAS will be sent via email (instead of physical statement) where any of the folios consolidated has an email id or to the email id of the first unit holder as per KYC records.

B) For all Unitholders

In case of a specific request received from the unit holder, the AMC shall provide the account statement to the investor within 5 business days from the receipt of such request.

Monthly and Half Yearly Portfolio Disclosures:

The Mutual Fund/AMC shall e-mail to all unitholders (if an e-mail address is provided) the complete scheme portfolio as at the end of each month and each half year (i.e., 31st March and 30th September) within ten days of end of the month/half year. These shall also be displayed on the website of the Mutual Fund (www.Bandhanmutual.com) and that of AMFI (www.amfiindia.com) in a user-friendly and downloadable spreadsheet format. Investors may also place a specific request to the Mutual Fund for sending the half yearly portfolio through email. The Mutual Fund shall publish an advertisement disclosing uploading of such half yearly scheme portfolios on its website, in all India editions of one English and one Hindi daily newspaper. The Mutual Funds shall provide a physical copy of the scheme portfolio, without charging any cost, on specific request received from a unitholder.

Half Yearly Financial Results

The Mutual Fund shall within one month from the close of each half year, that is on 31st March and on 30th September, host a soft copy of its unaudited financial results on their website and shall publish an advertisement disclosing the hosting of such financial results on their website, in atleast one English daily newspaper having nationwide circulation and in a newspaper having wide circulation published in the language of the region where the Head Office of the mutual fund is situated.

The unaudited financial results will be displayed on the website of the Mutual Fund (www.Bandhanmutual.com) and that of AMFI (www.amfiindia.com).

Risk-o-meter

In accordance with clause 5.16 of SEBI Master Circular, Mutual Fund shall disclose, to the investors in which the unit holders are invested,

- (a) risk-o-meter of the scheme and benchmark while disclosing the performance of scheme vis-à-vis benchmark and
- (b) details of the scheme portfolio including the scheme risk-o-meter, name of benchmark and risk-o-meter of benchmark while communicating the fortnightly, monthly and half-yearly statement of scheme portfolio via email.

Further, pursuant to clause 17.4.1.h, any change in risk-o-meter shall be communicated by way of Notice cum Addendum and by way of an e-mail or SMS to unitholders of that particular scheme.

Risk-o-meter shall be evaluated on a monthly basis and Mutual Funds/AMCs shall disclose the Risk-o-meter along with portfolio disclosure for all their schemes on the website of the Mutual Fund (www.bandhanmutual.com) and that of AMFI (www.amfiindia.com) within 10 days from the close of each month.

Mutual Fund shall also disclose the risk level of schemes as on March 31 of every year, along with number of times the risk level has changed over the year, on its website and AMFI website.

Investors may please note that the Risk-o-meter disclosed is based on the guidelines specified by SEBI under clause 17.4 of SEBI Master Circular.

Scheme Summary Document

Pursuant to SEBI advisory dated December 28, 2021, a standalone scheme document called 'Scheme Summary Document' for all the Schemes of Bandhan Mutual Fund has been hosted on its website (www.bandhanmutual.com) which contains all the details of the Schemes including but not limited to Scheme features, Fund Manager details, investment details, investment objective, expense ratios, portfolio details, etc. The Scheme Summary Document is

uploaded on the website of the Mutual Fund, AMFI and stock exchanges in 3 data formats i.e. PDF, Spreadsheet and a machine readable format (either JSON or XML).

Annual Report

The Scheme wise annual report or an abridged summary hereinafter shall be sent by AMC/Mutual Fund as under:

- (i) by e-mail to the Unit holders whose e-mail address is available with the Fund,
- (ii) in physical form to the Unit holders whose email address is not available with the Fund and who have expressly opted-in to receive physical copy of the same.

The scheme wise annual report or an abridged summary shall be sent by mail/e-mail not later than four months from the date of closure of the relevant accounting year (i.e. 31st March each year).

The physical copy of the scheme wise annual report or abridged summary shall be made available to the investors at the registered office of the AMC. Physical copy of the abridged summary of the Annual Report shall be provided to the unitholder, without charging any cost, on such specific request by the unitholder.

Please note that the Bandhan Branch offices at • **Gorakhpur • Rajkot • Udaipur • Belgaum • Vizag** will not be an Official Point of Acceptance of transactions. Accordingly, no transaction applications / investor service requests shall be accepted at these branch offices and the same will continue to be accepted at Investor Service Centre (ISC) of Computer Age Management Services Ltd. (CAMS), the Registrar of Bandhan Mutual Fund.

Point of Service locations (“POS”) of MF Utilities India Private Limited (“MFUI”)

All the authorised MFUI POS designated by MFUI from time to time shall be the Official Points of Acceptance of Transactions. In addition to the same, investors can also submit the transactions electronically on the online transaction portal of MFUI (www.mfuonline.com). To know more about MFU and the list of authorised MFUI POS, please visit the MFUI website (www.mfuindia.com).

Website / Electronic modes - Bandhan AMC shall accept transactions through its website (www.Bandhanmutual.com). Transactions shall also be accepted through other electronic means including through secured internet sites operated by CAMS with specified channel partners (i.e. distributors) with whom AMC has entered into specific arrangements. The servers of Bandhan AMC and CAMS, where such transactions shall be sent shall be the official point of acceptance for all such online / electronic transaction facilities offered by the AMC.

NSE MFSS / BSE STAR / ICEX - Eligible Brokers/Clearing Members/Depository Participants / Distributors will be considered as the Official Point of Acceptance for the transactions through NSE MFSS, BSE STAR and ICEX platforms.

MFCentral as Official Point of Acceptance:

For enhancing investors' experience in Mutual Fund transactions / service requests, the Qualified RTAs (QRTA's), Kfin Technologies Private Limited (Kfintech) and Computer Age Management Services Limited (CAMS) have jointly developed MFCentral - A digital platform for Mutual Fund investors.

MFCentral is created with an intent to be a one stop portal / mobile app for all Mutual fund investments and service-related needs that significantly reduces the need for submission of physical documents by enabling various digital / phygital services to Mutual fund investors across fund houses subject to applicable Terms & Conditions of the Platform. MFCentral may be accessed using <https://mfcentral.com/>

Any registered user of MFCentral, requiring submission of physical document as per the requirements of MFCentral, may do so at any of the designated Investor Service centres or collection centres of Kfintech or CAMS.
