Part II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances, the asset allocation under the Scheme would be as follows:

Instruments	Indicative allocations (% of total assets)	
	Minimum	Maximum
Equity and Equity related securities of companies constituting Nifty Midcap 150 Total Return Index	95	100
Money Market Instruments & Units of Liquid Scheme & Cash & Cash equivalents etc*	0	5

*Money Market Instruments will include treasury bills and government securities having a residual maturity upto one year, Tri-Party Repos, Repo in government securities and treasury bills and any other like instruments as specified by the Reserve Bank of India from time to time.

During normal circumstances, the Scheme's exposure to debt and money market instruments will be in line with the asset allocation table. However, in case of addition/deletion of instruments in the Scheme portfolio, the reinvestment will be in line with the index methodology.

As per para 12.24 of SEBI Master Circular dated June 27, 2024, the cumulative gross exposure through equity, debt, money market instruments, derivative positions, repo transactions, other permitted securities/assets and such other securities/assets as may be permitted by SEBI from time to time shall not exceed 100% of the net assets of the Scheme.

The Scheme may enter repos/reverse repos as may be permitted by RBI other than repo in corporate debt securities. From time to time, the Scheme may hold cash. A part of the net assets may be invested in the Tri party Repo on government securities & T-bills (TREPS) or repo or in an alternative investment as may be provided by RBI. However, with reference to SEBI letter No. SEBI/HO/IMD-II/DOF3/OW/P/2021/31487/1 dated November 03, 2021, cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. Cash equivalent shall consist of following securities having residual maturity of less than 91 days:

1. Government securities
2. T- Bills and
3. Repo on Government Securities

It may be noted that AMC has to adhere to the asset allocation pattern indicated in the Scheme Information Document under normal circumstances.

According to para 12.16 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, pending deployment of funds of the Scheme in securities in terms of investment objective of the Scheme, the Mutual Fund may invest the funds of the Scheme in short term deposits of scheduled commercial banks subject to restrictions laid down under the SEBI Regulations from time to time.

Indicative Table (Actual instrument/percentages may vary subject to applicable SEBI circulars)

Sl.no	Type of Instrument	Percentage of Exposure	Circular References
1.	Stock Lending	The Scheme may undertake Securities Lending transactions, in accordance with the framework relating to securities lending and borrowing specified by SEBI, within following limits:	Paragraph 12.11 of SEBI Master Circular dated June 27, 2024

		<p>i. Not more than 20% of the net assets can be deployed in Stock Lending</p> <p>ii. Not more than 5% of the net assets can be deployed in Stock Lending to any single intermediary.</p>	
2.	Equity Derivatives	<p>The Scheme may take exposure to derivative instruments on underlying index (stock/ index futures) up to 20% of the Net Assets. Derivatives shall mean derivatives instruments as permitted by SEBI, including derivative exposure in accordance with SEBI Master Circular dated June 27, 2024 and such other amendments issued by SEBI from time to time and such other amendments issued by SEBI from time to time. The Scheme may take an exposure to equity derivatives of constituents of the underlying Basket when securities of the Basket are unavailable, insufficient or for rebalancing at the time of change in Basket or in case of corporate actions, for a short period of time, subject to derivative limits. Such exposure to derivatives will be rebalanced within seven calendar days. The Scheme may use derivative instruments such as stock futures and options contracts or any other derivative instruments that are permissible or may be permissible in future under applicable regulations and such investments shall be in accordance with the investment objective of the Scheme. Derivative limit subject to limit of 20% of net assets.</p>	Paragraph 12.25 of SEBI Master Circular dated June 27, 2024

- The Scheme will not invest in Foreign Securities.
- The Scheme will not indulge in short selling.
- The Scheme shall not participate in reverse repurchase agreements in corporate debt securities, Credit Default Swaps (CDS) for Corporate Bonds, interest rate swaps & Interest rate Futures, Structured Obligation and Credit Enhancement, securitised debt, investment in debt instruments with special features (AT1 and AT2 bonds)
- The Scheme shall not invest in RelTs & InVITs.

Portfolio Rebalancing Strategy under passive deviation:

- (a) The Scheme shall seek to replicate the index completely at all times.
- (b) In the event of index reconstitution and rebalance, the Scheme shall complete the rebalance of its portfolio within 7 calendar days.

In case of change in constituents of the index due to periodic review, the portfolio shall be rebalanced within 7 calendar days. Any transactions undertaken in the Scheme portfolio in order to meet the redemption and subscription obligations shall be done while ensuring that post such transactions, replication of the portfolio with the index is maintained at all points of time. At all times, the AMC shall ensure that the portfolio will adhere to the overall investment objective of the Scheme.

In the event of involuntary corporate action, the Scheme shall dispose the security not forming part of the underlying index within 7 Days from the date of allotment/ listing, whichever is later.

Portfolio rebalancing under defensive consideration

As per para 3.6.7.1 of SEBI Master Circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, the asset allocation pattern indicated above may change for a short term period on defensive considerations, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. These proportions may vary depending upon the perception of the Fund Manager, the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be rebalanced within 7 calendar days from the date of deviation and further action may be taken as specified under SEBI Circulars/ AMFI guidelines issued from time to time.

B. WHERE WILL THE SCHEME INVEST?

The Scheme may invest its funds in the following securities:

- Equity and equity related instruments including equity and index derivatives.
- Money market instruments permitted by SEBI/RBI, having maturities of up to one year or in alternative investment for the call money market as may be provided by the RBI to meet the liquidity requirements.
- Units of Liquid Schemes
- Certificate of Deposits (CDs), Commercial Paper (CPs).
- Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
- Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
- Any other domestic fixed income securities as permitted by SEBI/ RBI from time to time (subject to the required approval if any)
- Tri-Party Repo or repo or any alternative investment as may be provided by RBI.

Any other instruments / securities, which in the opinion of the fund manager would suit the investment objective of the Scheme subject to compliance with extant Regulations.

Tracking Error

Tracking error is defined as the standard deviation of the difference between the daily returns of the Underlying index and NAV of the Scheme. The Scheme's returns may deviate from the underlying benchmark index for the following reasons:

1. Fees & expenditure incurred by the Scheme.
2. Cash held by the Scheme due to subscriptions or to meet redemptions, expenses etc.
3. Corporate Actions
4. Halting of trading in underlying securities by exchange
5. Methodology of calculation of settlement price of the index. The benchmark or underlying index reflects the Volume Weighted Average Price (VWAP) of securities in the last half hour. However the Scheme may buy and sell at different points in time during the trading session at the then prevailing prices which may not correspond to the closing prices on the exchange.
6. Inability to acquire the securities due to various reasons like circuit filters, lack of liquidity etc.
7. Delay in replicating the portfolio during times of high volatility and reconstitution/rebalancing of index.
8. Rounding off securities for buying or selling as compared to the underlying index.

The AMC and fund manager would monitor the tracking error of the Scheme on an ongoing basis and would seek to keep tracking error as low as possible. Under normal circumstances and as per SEBI regulation, it would not cross 2% per annum. However, in case of various market events beyond the control of AMC or fund manager like dividend issuance by constituent members, rights issuance by constituent members, market volatility during reconstitution and rebalancing of portfolio and any abnormal circumstances, tracking error may exceed the prescribed limits. In case of unavoidable circumstances in

the nature of force majeure, which are beyond the control of the AMCs, the tracking error may exceed 2% and the same shall be brought to the notice of Trustees with corrective actions taken by the AMC, if any. There can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the Underlying Index

Disclosure of Tracking Error & Tracking Difference:

The Scheme will disclose the tracking error based on past one year rolling data, on a daily basis, on the website of AMC and AMFI. In case the Scheme has been in existence for a period of less than one year, the annualized standard deviation shall be calculated based on available data.

Tracking Difference is the annualized difference of daily returns between the index and NAV of the Scheme. It shall be disclosed on a monthly basis on website of AMC and AMFI for tenures 1 year, 3 years, 5 years, 10 years and since the date of allotment of units.

C. WHAT ARE THE INVESTMENT STRATEGIES?

The Scheme is an Index Fund tracking the Nifty Midcap 150 Total Returns Index. The Scheme will be passively managed employing an investment strategy that seeks to track/replicate the performance of the underlying index, subject to tracking error. The Scheme seeks to achieve this goal by investing in the securities constituting the Nifty Midcap 150 Total Returns Index in the same proportion as in the Index.

The Scheme may take exposure to derivative instruments on underlying index (stock/ index futures) up to 20% of the Net Assets. Derivatives shall mean derivatives instruments as permitted by SEBI, including derivative exposure in accordance with SEBI Master Circular dated June 27, 2024 and such other amendments issued by SEBI from time to time and such other amendments issued by SEBI from time to time. The Scheme may take an exposure to equity derivatives of constituents of the underlying Basket when securities of the Basket are unavailable, insufficient or for rebalancing at the time of change in Basket or in case of corporate actions, for a short period of time, subject to derivative limits. Such exposure to derivatives will be rebalanced within seven calendar days. The Scheme may use derivative instruments such as stock futures and options contracts, swap agreements or any other derivative instruments that are permissible or may be permissible in future under applicable regulations and such investments shall be in accordance with the investment objective of the Scheme. Derivative limit is subject to limit of 20% of net assets.

Portfolio turnover

Portfolio turnover is defined as lesser of purchases and sales as a percentage of the average corpus of the Scheme during a specified period of time. Portfolio turnover would depend upon the market conditions such as volatility of the market and inflows/outflows in the Scheme. The Scheme is an open ended Scheme with subscriptions and redemptions expected on a daily basis. Hence, it will be difficult to estimate the portfolio turnover with any reasonable amount of accuracy.

RISK CONTROL STRATEGIES

The Scheme aims to track Nifty Midcap 150 Index as closely as possible before expenses. The index is tracked on a regular basis and changes to the constituents or their weights, if any, are replicated in the underlying portfolio with the purpose of minimizing tracking error. Investments in equity, debt and money market securities carry various risks such as inability to sell securities, trading volumes and settlement periods, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification. In order to mitigate the various risks, the portfolio of the Scheme will be constructed in accordance with the investment restriction specified under the Regulations which would help in mitigating certain risks relating to investments in securities market.

Further, the AMC has necessary framework in place for risk mitigation at an enterprise level. The Risk Management division is an independent division within the organization. Internal limits are defined and judiciously monitored. Risk indicators on various parameters are computed and are monitored on a regular basis. There is a Board level Committee, the Risk Management Committee of the Board, which enables a dedicated focus on risk factors and the relevant risk mitigants.

For risk control, the following may be noted:

Liquidity Risks: Stocks in the underlying index are selected by applying liquidity as one of the criterions and hence the portfolio of Nifty Midcap 150 Index is reasonably liquid. The index is rebalanced based on certain criteria after which certain illiquid stocks are replaced by more liquid stocks. The fund manager makes the changes to the portfolio accordingly. Therefore, liquidity issues in the Scheme are not envisaged.

Volatility risks: There is the risk of volatility in markets due to external factors like liquidity flows, changes in the business environment, economic policy etc. The Scheme will manage volatility risk through diversification.

Interest Rate Risk: Changes in interest rates affect the prices of bonds as well as equities. If interest rates rise the prices of bonds fall and vice versa. Equity might be negatively affected as well in a rising interest rate environment. A well-diversified portfolio may help to mitigate this risk.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The performance of the Scheme will be benchmarked to the performance of NIFTY Midcap 150 Total Return Index. The portfolio of the Scheme would endeavour to replicate / track the index.

The Scheme seeks to track/replicate the performance of the Nifty Midcap 150 Total Returns Index by investing in the constituents of the said index. Therefore, the composition of this index makes it most suited to compare the performance of the Scheme.

Pursuant to Para 1.9 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, uniform structure for benchmarking of Schemes has been prescribed by SEBI. These uniform benchmarking of Schemes indices are termed as first tier benchmark which reflects the category of the Scheme. The index is computed using the total return methodology including price return and coupon return.

Further, pursuant to SEBI circular on Benchmark, Association of Mutual Funds in India (AMFI), in consultation with AMFI Valuation Committee, has published the list of benchmark as 1st tier benchmarks for mutual fund Schemes and the same is also made available on its website <https://www.amfiindia.com/research-information/other-data> and <https://www.amfiindia.com/importantupdates>.

v. Investments of AMC in the Scheme

The AMC, Trustee, Sponsor, or their associates may invest in the Scheme subject to the SEBI Regulations & circulars issued by SEBI and to the extent permitted by its Board of Directors from time to time. As per the existing SEBI Regulations, the AMC will not charge investment management and advisory fee on the investment made by it in the Scheme. The AMC shall based on the risk value assigned to the Scheme, in terms of para 17.4 of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, shall invest minimum amount as a percentage of assets under management ('AUM') as per provisions of para 6.9 and 6.10 of SEBI Master circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 as amended from time to time.

During the NFO, AMC's investment shall be made during the allotment of units and shall be calculated as a percentage of the final allotment value excluding AMC's investment as per the example mentioned below:

Allotment value (prior to AMC investment)	INR Crs	1,000
Riskometer / Risk value disclosed in the NFO SID	-	Very High
Minimum % of AuM to be invested	%	0.13%

Amount to be invested by AMC	INR Crs.	1.3
Final allotment value	INR Crs.	1,001.3

Part III- OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) per Unit of the options of the Plan(s) under the Scheme will be computed by dividing the net assets of the options of the Plan(s) under the Scheme by the number of Units outstanding under the options of the Plan(s) under the Scheme on the valuation date. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time. In case of any conflict between the Principles of Fair Valuation and valuation guidelines specified by SEBI, the Principles of Fair Valuation shall prevail.

The NAV of the units under each options of the Plan(s) under the Scheme shall be calculated as shown below:

$$\text{NAV per Unit (Rs.)} = \frac{\text{Market or Fair Value of the Plan's Investments} + \text{Current Assets} - \text{Current Liabilities and Provisions}}{\text{No. of Units outstanding under each option of the Plan(s) under the Scheme}}$$

Illustration on Computation of NAV:

Heads	Particulars	Rs.
AUM	Opening AUM	0
NAV	Opening NAV Per Unit	10.0000
Unit capital	Opening Units	0.000
	Closing Units	1000.000
Subscription / redemption Units	Shares Subscribed	1,000.00
	Shares Redeemed	0.00

NAV	Closing NAV per Unit	10.0294

The NAV of the units under each options of the Plan(s) under the Scheme will be calculated and declared on each Business Day. Separate NAVs will be calculated and announced for each of the Plan(s) & option(s) under the Scheme. The NAVs will be rounded off up to 4 decimal places for the Scheme. The units will be allotted up to 3 decimal places.

Valuation of the Scheme’s assets, calculation of the Scheme’s NAV and the accounting policies & standards will be subject to such norms and guidelines that SEBI may prescribe from time to time and shall be subject to audit on an annual basis.

Pursuant to Regulation 49 (3) the repurchase Price of the units of an open ended Scheme will not be lower than 95% of the NAV. Any imposition or enhancement of Load in future shall be applicable on prospective investments only.

For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

B. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid, marketing and advertising, registrar expenses, printing and stationary, bank charges etc. **The NFO Expenses shall be borne by the AMC.** The entire amount subscribed by the investor subject to deduction of transaction charges, if any, in the Scheme during the New Fund Offer will be available to the Scheme for investments.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses incurred for the respective Plan(s) under the Scheme. These expenses include but are not limited to Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents’ fee including costs related to providing accounts statement, dividend/redemption cheques/warrants etc., marketing and selling costs marketing & selling expenses including agents commission and statutory advertisement, brokerage & transaction cost pertaining to the distribution of units, audit fees, fees and expenses of trustees, costs related to investor communications, costs of fund transfer from location to location etc., listing fee, custodial fees etc.

The AMC has estimated that upto 1.05% of the daily net assets of the Scheme will be charged to the Scheme as expenses.

The maximum recurring expenses including the investment management and advisory fee that can be charged to the Scheme shall be subject to a percentage limit of daily net assets as given in the table below.

The AMC has estimated the annual recurring expenses under the Scheme as per the table below:

As per para 10.1.3 of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, inflows of amount upto Rs 2,00,000/- per transaction, by individual investors shall be considered as inflows from 'retail investor'.

Provided that if inflows from such cities is less than the higher of sub-clause (i) or sub-clause (ii), such expenses on daily net assets of the Scheme shall be charged on proportionate basis.

(c) additional expenses under Regulation 52(6A) (c) at 0.05% of daily net assets of the Scheme **;

** In accordance with SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2018/15 dated February 02, 2018, AMC shall not charge any additional expense of upto 0.05% as per Regulation 52(6A) (c), if exit load is not being levied under the Scheme.

(d) The AMC may charge GST on investment management and advisory service fees ('AMC Fees') which shall be borne by the Scheme in addition to the total expense ratio mentioned in table above;

(e) @Brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment shall not exceed 0.12 per cent in case of cash market transactions and 0.05 per cent in case of derivatives transactions.

It is clarified that the brokerage and transaction cost incurred for the purpose of execution of trade may be capitalized to the extent of 12bps and 5bps for cash market transactions and derivatives transactions respectively. Any payment towards brokerage and transaction cost, over and above the said 12 bps and 5bps for cash market transactions and derivatives transactions respectively may be charged to the Scheme within the maximum limit of TER as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996.

The total expenses charged to the Scheme shall be the maximum limit of TER as prescribed under regulation 52. All Scheme related expenses including commission paid to distributors, if any, by whatever name it may be called and in whatever manner it may be paid, shall necessarily be paid from the Scheme only within the regulatory limits and not from the books of AMC, its associate, sponsor, trustees or any other entity through any route in terms of SEBI circulars, subject to the clarifications provided by SEBI to AMFI vide letter dated February 21, 2019 as amended from time to time on implementation of SEBI Circular dated October 22, 2018 on Total Expense Ratio (TER) and performance disclosure for Mutual Fund.

Investors should note that the total recurring expenses of the Scheme excluding issue or redemption expenses, whether initially borne by the Mutual Fund or by the AMC, but including the investment management and advisory fee, shall not exceed the limits as prescribed under Regulation 52 of the SEBI

Regulations. The AMC will charge the Scheme such actual expenses incurred, subject to the statutory limit prescribed in the Regulations.

Note:

Pursuant to AMFI email dated March 02, 2023, with respect to keeping the B-30 incentive structure in abeyance, the AMC will not charge additional 30 bps on new inflows garnered from retail investors from B-30 cities till further notice. The total expenses of the Scheme including the Investment Management and Advisory Fee shall not exceed the limits stated in Regulation 52 of the SEBI (Mutual Funds) Regulations, 1996.

For the actual current expenses being charged, the investor should refer to the website of the mutual fund at the following link <<https://www.barodabnpparibasmf.in/downloads/total-expense-ratio-of-mutual-fund-Schemes>>. Any change proposed to the current expense ratio will be updated on the website and communicated to the investors via e-mail or SMS at least three working days prior to the effective date of the change (in accordance with para 10.1.8 of SEBI Master circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024). Further, the disclosure of the expense ratio on a daily basis shall also be made on the website of AMFI viz. www.amfiindia.com.

These estimates have been made in good faith as per the information available to the Investment Manager based on past experience and are subject to change inter-se. Types of expenses charged shall be as per SEBI (Mutual Funds) Regulations, 1996. The purpose of the above table is to assist the investor in understanding the various costs and expenses that an investor in the Scheme will bear directly or indirectly.

An Illustration of impact of expense ratio on Scheme's returns:

If an investor A invests in a regular plan of a Scheme with an expense of 1% p.a. and an investor B invests in Direct Plan of the same Scheme with an expense of 0.65% p.a. Assuming the gross return of this fund is 10% for that given year, investor A will make a return of 9% (post expense) for that year, whereas investor B will make 9.35% return for same period.

Also, please take a look at below illustration which shows impact of different expense ratio assumed on initial investment of Rs. 10,000 invested over period of 10 years with an average annualized gain of 15% p.a.

Particulars	Regular Plan	Direct Plan
Amount Invested at the beginning of the year	10,000	10,000
Returns before Expenses (@10%pa)	1,000	1,000
Expenses other than Distribution Expenses	65	65
Distribution Expenses	35	-
Returns after Expenses at the end of the Year	900	935
% Returns on Investment (Post Expenses)	9%	9.35%

Note:

- The purpose of the above illustration is to purely explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments, without considering any impact due to taxation.
- Investors are requested to note that NAV declaration made by AMC/Mutual Fund on every business day is net of expenses, and consequently Scheme performance disclosures made by

Mutual Fund, which are based on NAV values of the Scheme are also net of expenses but does not consider impact of load and taxes, if any.

D. LOAD STRUCTURE

Exit load is an amount which is paid by the investor to redeem the units from the Scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure please refer to the website of the AMC (www.barodabnpparibasmf.in) or call on the number, 1800-2670-189 or may call your distributor.

Exit Load: - 0.2%- If redeemed on or before 7 days from the date of allotment.

Nil- If redeemed after 7 days from the date of allotment.

Switch of investments from Regular Plan to Direct Plan under the same Scheme/Plan shall be subject to applicable exit load, unless the investments were made directly i.e. without any distributor code. However, any subsequent switch-out or redemption of such investments from Direct Plan will not be subject to any exit load. The above load shall also be applicable for switches between the Schemes of the Fund and Systematic Investment Plans, Systematic Transfer Plans, Systematic Withdrawal Plans etc. No exit load shall be levied for switch-out from Direct Plan to Regular Plan. However, any subsequent switch-out or redemption of such investment from Regular Plan shall be subject to exit load based on the date of switch in of investment into the Regular Plan.

In accordance with the requirements specified under SEBI Master circular, no entry load will be charged for purchase/additional purchase/ switch-in accepted by the Fund. The upfront commission on investment made by the investor, if any, shall be paid to the ARN Holder directly by the investor, based on the investor's assessment of various factors including service rendered by the ARN Holder. The exit load charged, net of Goods and Services Tax (GST), if any, shall be credited to the Scheme.

For any change in load structure, the AMC will issue an addendum and display it on the website/ISCs.

Subject to the SEBI Regulations, the AMC / Trustee reserve the right to modify / alter the load structure on the Units subscribed / redeemed on any business day under each Plan(s) / Option(s) from time to time. **Such changes will be applicable for prospective investments.** At the time of changing the load structure, the AMC shall take the following steps:

- The addendum detailing the changes shall be attached to SID and Key Information Memorandum. The addendum will be circulated to all the distributors so that the same can be attached to all SIDs and Key Information Memorandum already in stock.
- Arrangements shall be made to display the changes/modifications in the SID in the form of a notice in all the ISCs' and distributors' offices.
- The introduction of the load along with the details shall be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load.
- A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.
- Any other measures which the Mutual Fund may feel necessary.

The investor is requested to check the prevailing load structure of the Scheme before investing. For any change in load structure AMC will issue an addendum and display it on the website/investor Service Centres.

Unitholder Transaction Expenses and Load: In accordance with SEBI Regulations, the AMC/Mutual Fund shall ensure that the repurchase price of the Scheme is not lower than 95 per cent of the Net Asset Value.

Note: Where as a result of a Redemption/ Switch arising out of excess holding by an investor beyond 25% of the net assets of the Schemes in the manner envisaged under para 6.11 of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, such Redemption / Switch will not be subject to Exit load.

Section II

I. Introduction

A. Definitions/interpretation

For detailed description please refer <https://www.barodabnpparibasmf.in/assets/pdf/Definitions.pdf>

B. Risk factors

SCHEME SPECIFIC RISK FACTORS:

The Scheme tracks a benchmark index which consists of Mid Cap stocks. The Scheme being passively managed invests in stocks of the underlying index and will therefore be subject to the risks associated with concentration of investments in a particular company/sector.

Midcap stocks can be riskier and more volatile on a relative basis. Therefore, the risk levels of investing in midcap stocks are relatively more than investing in stocks of large companies. Over time the category has demonstrated different levels of volatility and investment returns. Historically these companies have been more volatile in price than large company securities, especially over the short term.

Right to Limit Redemptions: The Trustee, in the general interest of the Unit holders of the Scheme offered in this Document and keeping in view the unforeseen circumstances / unusual market conditions, may limit the total number of Units which can be redeemed on any Business Day. The same shall be in accordance with para 1.12 of SEBI Master circular dated June 27, 2024.

Risks associated with investing in Equities:

- ♦ Trading volumes, settlement periods and transfer procedures may restrict the liquidity of these investments. Different segments of the Indian financial markets have different settlement periods, and such periods may be extended significantly by unforeseen circumstances. The inability of the Schemes to make intended securities purchases due to settlement problems could cause the Schemes to miss certain investment opportunities.
- ♦ The value of the Schemes' investments may be affected generally by factors affecting securities markets, such as price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in policies of the Government, taxation laws or any other appropriate authority policies and other political and economic developments which may have an adverse bearing on individual securities, a specific sector or all sectors including equity and debt markets. Consequently, the NAV of the Units of the Schemes may fluctuate and can go up or down.
- ♦ The Mutual Fund may not be able to sell securities, which can lead to temporary illiquidity. There are risks inherent in securities lending, including the risk of failure of the other party, in this case the approved intermediary to comply with the terms of the agreement. Such failure can result in a possible loss of rights to be collateral, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of corporate benefits accruing thereon.
- ♦ While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges. The liquidity of the Schemes' investments is inherently restricted by trading volumes in the securities in which it invests.
- ♦ Fund manager endeavours to generate returns based on certain past statistical trend. The performance of the Schemes may get affected if there is a change in the said trend. There can be no assurance that such historical trends will continue.
- ♦ The Schemes are also vulnerable to movements in the prices of securities invested by the Schemes which again could have a material bearing on the overall returns from the Schemes. These stocks, at times, may be relatively less liquid as compared to growth stocks.

- ◆ Changes in Government policy in general and changes in tax benefits applicable to mutual funds may impact the returns to investors in the Schemes or business prospects of the Company in any particular sector.

Risks associated with Index Funds:

- ◆ Investments in the securities constituting the Index are subject to price fluctuation on daily basis. The volatility in the value of those securities is due to various micro and macroeconomic factors like economic and political developments, changes in interest rates, etc. affecting the securities markets. This may have adverse impact on the NAV of Scheme.
- ◆ The NAV of the Index fund reflects the valuation of its investment and any changes in market value of its investments would have a bearing on its NAV.
- ◆ Market Risk: The Index funds NAV will react to stock market movements. The value of investments in the Scheme may go down over a short or long period due to fluctuations underlying securities in response to factors such as performance of companies whose stock comprises the underlying portfolio, economic and political developments, changes in government policies, changes in interest rates, inflation and other monetary factors causing movement in prices.
- ◆ Index-Related Risk: The Index funds invests in securities of the Nifty Midcap 150 Total Returns Index and in the same proportion as the securities have in the Index. Hence, the risk associated with the corresponding Index would be applicable to the index fund. The Index may have its own criteria and policy for inclusion/exclusion of securities from the Index, its maintenance thereof and effecting corporate actions. The Index fund would invest in the securities of the Index regardless of investment merit, research, without taking a view of the market and without adopting any defensive measures. The Index fund would not select securities in which it wants to invest but is guided by the Index. As such the Index fund is not actively managed but is passively managed. There is no guarantee that the Index funds will achieve a high degree of correlation to the underlying Index and therefore achieve its investment objective.
- ◆ Index Dissolution Risk: In the event the Nifty Midcap 150 TRI is dissolved or is withdrawn by NSE Indices Limited (formerly known as India Index Services & Products Limited ("IISL")), the Trustee reserves a right to modify the Scheme to track a different and suitable index and appropriate intimation will be sent to the Unit Holders of the Scheme.
- ◆ Management Risk. As the Index fund may not fully replicate the underlying Index, it is subject to the risk that investment strategy may not produce the intended results.
- ◆ Concentration Risk. The Index fund may be susceptible to an increased risk of loss, including losses due to adverse occurrences affecting the index fund more than the market, to the extent that the investments are concentrated in the securities of a particular issuer or issuers, country, group of countries, region, market, industry, group of industries, sector, or asset class.
- ◆ In certain cases, settlement periods may be extended significantly by unforeseen circumstances. The inability of the Index Fund to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities as in certain cases, settlement periods may be extended significantly by unforeseen circumstances. Similarly, the inability to sell securities held in the Index Fund portfolio may result, at times, in potential losses to the Scheme, and there can be a subsequent decline in the value of the securities held in the Index Fund.
- ◆ Passive Investments: The Index fund is not actively managed. Since the Scheme is linked to an index, it may be affected by a general decline in the securities constituting that index. The Scheme as per its investment objective invests in the securities of the underlying index regardless of their investment merit.

- ♦ Equity Securities Risk. Equity securities are subject to changes in value and their values may be more volatile than those of other asset classes.

Risks associated with investing in fixed income securities:

- ♦ **Credit and Counterparty risk:** Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security or honour its contractual obligations).

Counterparty risk refers to the counterparty's inability to honour its commitments (payment, delivery, repayment, etc.) and to risk of default. This risk relates to the quality of the counterparty to which the Scheme has exposures. Losses can occur in particular for the settlement/delivery of financial instruments or the conclusion of financial derivatives contracts.

The value of a fixed income security will fluctuate depending upon the changes in the perceived level of credit and counterparty risk as well as any actual event of default. Changes in financial conditions of an issuer, changes in economic and political conditions in general, or changes in economic or and political conditions specific to an issuer, all of which are factors that may have an adverse impact on an issuer's credit quality and security value.

- ♦ **Liquidity Risk:** The liquidity of the Scheme's investment is inherently restricted by trading volumes in the securities in which the Scheme invests. A lower level of liquidity affecting an individual security or an entire market at the same time, may have an adverse bearing on the value of the Scheme's assets. More importantly, this may affect the Fund's ability to sell particular securities quickly enough to minimize impact cost, as and when necessary to meet requirements of liquidity or to sell securities in response to triggers such as a specific economic/corporate event.

Trading volumes, settlement periods and transfer procedures may restrict the liquidity of a few or all the investments and may affect the liquidity of the investments of the Scheme.

The Scheme may be unable to implement purchase or sale decisions when the markets turn illiquid, missing some investment opportunities or limiting ability to face redemptions. The lack of liquidity could also lead to the risk that the sale price of a security could be substantially lower than the fair value of the security.

- ♦ **Interest Rate Risk & Re-investment Risk:** The value of an investment may be affected by interest rate fluctuations. Interest rates may be influenced by several elements or events, such as monetary policy, the discount rate, inflation, etc. The value of debt and fixed income securities held by the Scheme generally will vary inversely with the changes in prevailing interest rates. In general, price of debt and fixed income securities go up when interest rates fall, and vice versa. Securities of any issuer that has higher duration could be riskier in terms of price movements relative to those with lower duration. Thus, any impact of interest rate changes would be higher on securities with higher duration irrespective of the status of the issuer of the security. The investments made by the Scheme are subject to reinvestment risk. This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.
- ♦ **Sovereign risk:** The Central Government of India is the issuer of the local currency debt in India. The Government raises money to meet its capital and revenue expenditure by issuing debt or discounted securities. Since payment of interest and principal amount has a sovereign status implying least probability of a default, such securities are known as securities with sovereign credit. It also implies that the credit risk on such Government securities is even lower than that on non-government securities with "AAA" rating and hence yields on government securities are even lower than yields on non-government securities with "AAA" rating.

- ♦ **Concentration Risk:** The Scheme may pursue only a limited degree of diversification. It may invest in a limited number of securities or invest a greater proportion of assets in the securities of very few issuers (within the limits permitted by regulation) or be concentrated on a few market sectors as compared to a diversified Scheme. The Scheme is also expected to have higher market liquidity risk on account of concentration. This could have implications on the performance of the Scheme. The Scheme may be more sensitive to economic, business, political or other changes and this may lead to sizeable fluctuation in the Net Asset Value of the Scheme.

Risk Factors associated with Investments in Derivatives:

The Scheme(s) may use various derivative instruments and techniques, permitted within SEBI (Mutual Funds) Regulations, 1996 from time to time including but not limited for portfolio balancing and hedging purpose, which may increase the volatility of Scheme's performance. Usage of derivatives will expose the Scheme(s) to certain risks inherent to such derivatives.

Derivative products are specialized instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies. The risks associated with the use of derivatives are different from or possibly greater than the risks associated with investing directly in securities and other traditional investments.

The use of a derivative requires an understanding not only of the underlying instrument but also of the derivative itself. There is a possibility that a loss may be sustained by the Scheme(s) as a result of the failure of another party (usually referred to as the "counterparty") to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, interest rates and indices. Even a small price movement in the underlying instrument could have a large impact on their value. This could increase the volatility of the Scheme's performance.

In case of hedge, it is possible that derivative positions may not be perfectly in line with the underlying assets they are hedging. As a consequence, the derivative cannot be expected to perfectly hedge the risk of the underlying assets. This also increases the volatility of the Scheme's performance. Some of the risks inherent to derivatives investments include:

1. **Price Risk:** Despite the risk mitigation provided by various derivative instruments, there remains an inherent price risk which may result in losses exceeding actual underlying.
2. **Default Risk:** This is the risk that losses will be incurred due to default by counter party. This is also known as credit risk or counterparty risk.
3. **Basis Risk:** This risk arises when the derivative instrument used to hedge the underlying asset does not match the movement of the underlying being hedged for e.g., mismatch between the maturity date of the futures and the actual selling date of the asset.
4. **Limitations on upside:** Derivatives when used as hedging tool can also limit the profits from a genuine investment transaction.
5. **Liquidity risk:** This risk pertains to how saleable a security is in the market. All securities/instruments irrespective of whether they are equity, bonds or derivatives may be exposed to liquidity risk (when the sellers outnumber buyers) which may impact returns while exiting opportunities.

Risks associated with investments in mutual fund units.

To the extent of the investments made by the Scheme in mutual funds units, the risks associated with investing in such funds like market risk, credit & default risk, liquidity risk, redemption risk including the possible loss of principal; etc. will exist.

Risks associated with Securities Lending & Borrowing (SLB)

Securities lending is lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed.

The risks in security lending consist of the failure of intermediary/counterparty, to comply with the terms of agreement entered between the lender of securities i.e. the Scheme and the intermediary/counterparty. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The Scheme may not be able to sell lent out securities, which can lead to temporary illiquidity & loss of opportunity.

Other Risks:

- ♦ **Risk associated with inflation:** Over time, yields of short-term investments may not keep pace with inflation, leading to a reduction in an investment's purchasing power.
- ♦ **Legal risk:** The Scheme may be affected by the actions of government and regulatory bodies. Legislation could be imposed retrospectively or may be issued in the form of internal regulations which the public may not be aware of. Legislation (including legislation relating to tax) or regulation may be introduced which inhibits the Scheme from pursuing their strategies or which renders an existing strategy less profitable than anticipated. Such actions may take any form, for example nationalization of any institution or restrictions on investment strategies in any given market sector or changing requirements and imposed without prior warning by any regulator.
- ♦ **Taxation risk:** The value of an investment may be affected by the application of tax laws, including withholding tax, or changes in government or economic or monetary policy from time to time. As such, no guarantee can be given that the financial objectives will actually be achieved. The tax information described in this Scheme Information Document (SID) is as available under the prevailing taxation laws. This could be changed at any moment by regulation. Further, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely.
- ♦ **Valuation risk:** This risk relates to the fact that markets, in specific situations and due to lack of volumes of transactions, do not enable an accurate assessment of the fair value of invested assets. In such cases, valuation risk represents the possibility that, when a financial instrument matures or is sold in the market, the amount received is less than anticipated, incurring a loss to the portfolio, and therefore impacting negatively the NAV of the Scheme.
- ♦ **Operational Risk:** Operational risk addresses the risk of trading and back office or administration issues that may result in a loss to the Scheme. This could be the result of oversight, ineffective securities processing procedures, computer systems problems or human error. There could also be risk associated with grouping of orders. For instance, at the time of placing the trades, the fund manager shall group orders on behalf of all Schemes managed by him, provided it is unlikely to be detrimental overall for any of the Schemes whose orders have been included. However, such grouping may have a detrimental effect to the Scheme compared to the execution of an individual order for the Scheme.
- ♦ **Risk factors associated with processing of transaction in case of investors investing in mutual fund units through Stock Exchange Mechanism:** The trading mechanism introduced by the stock exchange(s) is configured to accept and process transactions for mutual fund units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE or any other recognized stock

exchange(s), on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing / settlement, etc. upon which the Fund and the AMC have no control. Moreover, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized stock exchange(s) upon which the Fund and the AMC have no control. Accordingly, there could be negative impacts to the investors such as delay or failure in allotment / redemption of Units. The Fund and the AMC are not responsible for the negative impacts.

- ♦ **Tracking Error Risk:** Tracking error is defined as the standard deviation of the difference between the daily returns of the Underlying index and NAV of the Scheme. The Scheme's returns may deviate from the underlying benchmark index for the following reasons:
 - ♦ Fees & expenditure incurred by the Scheme.
 - ♦ Cash held by the Scheme due to subscriptions or to meet redemptions, expenses etc.
 - ♦ Corporate Actions
 - ♦ Halting of trading in underlying securities by exchange
 - ♦ Methodology of calculation of settlement price of the index. The benchmark or underlying index reflects the Volume Weighted Average Price (VWAP) of securities in the last half hour. However, the Scheme may buy and sell at different points in time during the trading session at the then prevailing prices which may not correspond to the closing prices on the exchange.
 - ♦ Inability to acquire the securities due to various reasons like circuit filters, lack of liquidity etc.
 - ♦ Delay in replicating the portfolio during times of high volatility and reconstitution/rebalancing of index.
 - ♦ Rounding off securities for buying or selling as compared to the underlying index.

The AMC and fund manager would monitor the tracking error of the Scheme on an ongoing basis and would seek to keep tracking error as low as possible. Under normal circumstances and as per SEBI regulation, it would not cross 2% per annum. However, in case of various market events beyond the control of AMC or fund manager like dividend issuance by constituent members, rights issuance by constituent members, market volatility during reconstitution and rebalancing of portfolio and any abnormal circumstances, tracking error may exceed the prescribed limits. There can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the Underlying Index

Risks associated with segregated portfolio:

- Investor holding units of segregated portfolio may not be able to liquidate their holding till the time recovery of money from the issuer.
- Security comprises of segregated portfolio may not realise any value.
- Listing of units of segregated portfolio in recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.
- Trading in the units of segregated portfolio on the Exchange may be halted because of market conditions, including any halt in the operations of Depository Participants or for reasons that in view of the Exchange Authorities or SEBI, trading in the units is suspended and / or restricted. In addition, trading in units is subject to trading halts caused by extraordinary market volatility and pursuant to stock exchange rules of 'circuit filter'. There can be no assurance that the requirements of Stock Exchange necessary to maintain the listing of units of Scheme will continue to be met or will remain unchanged.

Tracking Error Risk:

The Fund Manager would not be able to invest the entire corpus exactly in the same proportion as in the underlying index due to certain factors such as the fees and expenses of the Scheme, corporate actions, cash balance and changes to the underlying index and regulatory restrictions, lack of liquidity which may result in Tracking Error. Hence it may affect AMC's ability to achieve close correlation with the underlying index of the Scheme. The Scheme's returns may therefore deviate from its underlying index. "Tracking

Error" is defined as the standard deviation of the difference between daily returns of the underlying index and the NAV of the Scheme. The Fund Manager would monitor the Tracking Error of the Scheme on an ongoing basis and would seek to minimize the Tracking Error to the maximum extent possible.

Tracking errors are inherent in any index fund and such errors may cause the Scheme to generate returns which are not in line with the performance of the NIFTY Midcap 150 Index or one or more securities covered by / included in the NIFTY Midcap 150 Index and may arise from a variety of factors including but not limited to:

1. Any delay in the purchase or sale of securities due to illiquidity in the market, settlement and realisation of sales proceeds, delay in credit of securities or in receipt and consequent reinvestment of dividend, etc.
2. The index reflects the prices of securities at a point in time, which is the price at close of business day on the stock exchange. The Scheme, however, may trade the securities at different points in time during the trading session and therefore the prices at which the Scheme trades may not be identical to the closing price of each scrip on that day on the respective stock exchange. In addition, the Scheme may opt to trade the same securities on different exchanges due to price or liquidity factors, which may also result in traded prices being at variance from the closing price considered in the Index.
3. NSE Indices Limited undertakes periodic reviews of the securities that are represented in the NIFTY Midcap 150 Index and from time to time may exclude existing securities or include new ones. In such an event, the Scheme will reallocate its portfolio to mirror the changes. However, there allocation process may not occur instantaneously and may not permit precise mirroring of the NIFTY Midcap 150 Index during this period.
4. The potential of trades to fail may result in the Scheme not having acquired the security at the price necessary to mirror the index.
5. Transaction and other expenses, such as but not limited to brokerage, custody, trustee and investment management fees.
6. Being an open ended Scheme, the Scheme may hold appropriate levels of cash or cash equivalents to meet on going redemptions.
7. The Scheme may not be able to acquire or sell the desired number of securities due to conditions prevailing in the securities market, such as, but not restricted to circuit filters in the securities, liquidity and volatility in security prices.

The Scheme will disclose the tracking error based on past one year rolling data, on a daily basis, on the website of AMC and AMFI. In case the Scheme has been in existence for a period of less than one year, the annualized standard deviation shall be calculated based on available data.

Tracking Difference: The tracking difference i.e. the annualized difference of daily returns between the index and the NAV of the Scheme will be disclosed on the website of the AMC and AMFI, on a monthly basis, for tenures 1 year, 3 year, 5 year, 10 year and since the date of allotment of units.

The annualized tracking difference averaged over one year period shall not exceed 1.25%. In case the average annualized tracking difference over one year period for the Scheme is higher than 1.25%, the same will be brought to the notice of trustees with corrective actions taken by the AMC, if any

Passive Investments:

The Scheme is not actively managed. Since the Scheme is linked to index, it may be affected by a general decline in the Indian markets relating to its underlying index. The Scheme as per its investment objective invests in Securities which are constituents of its underlying index regardless of their investment merit. The AMC does not attempt to individually select stocks or to take defensive positions in declining markets.

Risk factors associated with processing of transaction in case of investors investing in mutual fund units through Stock Exchange Mechanism

The trading mechanism introduced by the stock exchange(s) is configured to accept and process transactions for mutual fund units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE or any other recognized stock exchange(s), on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing / settlement, etc. upon which the Fund and the AMC have no control. Moreover, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized stock exchange(s) upon which the Fund and the AMC have no control. Accordingly, there could be negative impacts to the investors such as delay or failure in allotment / redemption of Units. The Fund and the AMC are not responsible for the negative impacts.

C. Risk Mitigation Measures:

The Scheme's will invest in various securities / instruments which carry various risks such as inability to sell securities, trading volumes and settlement periods, market risk, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification and hedging.

In order to mitigate the various risks, the portfolio of the Scheme will be constructed in accordance with the investment restriction specified under the Regulations which would help in mitigating certain risks relating to investments in securities market.

Further, the AMC has necessary framework in place for risk mitigation at an enterprise level. The Risk Management division is an independent division within the organization. Internal limits are defined and judiciously monitored. Risk indicators on various parameters are computed and are monitored on a regular basis. There is a Board level Committee, the Risk Management Committee of the Board, which enables a dedicated focus on risk factors and the relevant risk mitigants.

II. Information about the Scheme:

A. Where will the Scheme invest?

The Scheme may invest its funds in the following securities:

- Equity and equity related instruments including equity and index derivatives.
- Money market instruments permitted by SEBI/RBI, having maturities of up to one year or in alternative investment for the call money market as may be provided by the RBI to meet the liquidity requirements.
- Units of Liquid Schemes
- Certificate of Deposits (CDs), Commercial Paper (CPs).
- Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
- Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
- Any other domestic fixed income securities as permitted by SEBI/ RBI from time to time (subject to the required approval if any)
- Tri-Party Repo or repo or any alternative investment as may be provided by RBI.

Any other instruments / securities, which in the opinion of the fund manager would suit the investment objective of the Scheme subject to compliance with extant Regulations.

Position of debt & money market in India

The Indian debt market is today one of the largest in Asia and includes securities issued by the Government (Central & State Governments), public sector undertakings, other government bodies, financial institutions, banks and corporates. Government and public sector enterprises are the predominant borrowers in the

markets. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts, pension funds and corporates. The Indian debt market is the largest segment of the Indian financial markets. The debt market comprises broadly two segments, viz. Government Securities market or G-Sec market and corporate debt market. The latter is further classified as market for PSU bonds and private sector bonds.

The G-Sec market is the oldest and the largest component of the Indian debt market in terms of market capitalization, outstanding securities and trading volumes. The G-Sec market plays a vital role in the Indian economy as it provides the benchmark for determining the level of interest rates in the country through the yields on the Government Securities which are referred to as the risk-free rate of return in any economy. Over the years, there have been new products introduced by the RBI like zero coupon bonds, floating rate bonds, inflation indexed bonds, etc.

The corporate bond market, in the sense of private corporate sector raising debt through public issuance in capital market, is only an insignificant part of the Indian Debt Market. A large part of the issuance in the non-Government debt market is currently on private placement basis.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI). In a predominantly institutional market, the key money market players are banks, financial institutions, insurance companies, mutual funds, primary dealers and corporates. In money market, activity levels of the Government and nongovernment debt vary from time to time. Instruments that comprise a major portion of money market activity include but not limited to:

- Overnight Call
- Tri-party repo on Government Securities or treasury bills (TREPS).
- Repo/Reverse Repo Agreement
- Treasury Bills
- Government securities
- Commercial Paper
- Certificate of Deposit

Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments. Though not strictly classified as money market instruments, PSU / DFI / corporate paper with a residual maturity of < 1 year, are actively traded and offer a viable investment option. The market has evolved in past 2-3 years in terms of risk premia attached to different class of issuers. Bank CDs have clearly emerged as popular asset class with increased acceptability in secondary market. PSU banks trade the tightest on the back of comfort from majority government holding. Highly rated manufacturing companies also command premium on account of limited supply. However, there has been increased activity in papers issued by private/foreign banks/NBFCs/companies in high-growth sector due to higher yields offered by them. Even though companies across these sectors might have been rated on a same scale, the difference in the yield on the papers for similar maturities reflects the perception of their respective credit profiles.

Instruments	Current yield as on August 31, 2024 (% per annum)
TREPS	6.25-6.70
3M T-Bill	6.60-6.65
1 Y T-Bill	6.70-6.75
10 Y G Sec	6.85-6.90
3M PSU Bank CD	7.20-7.30

3M NBFC CP	7.60-7.70
1 Y PSU Bank CD	7.60-7.70
1 Y NBFC CP	7.80-7.90

These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro-economic conditions and RBI policy. The price and yield on various debt instruments fluctuate from time to time depending upon the macro economic situation, inflation rate, overall liquidity position, foreign exchange scenario etc. Also, the price and yield vary according to maturity profile, credit risk etc.

B. What are the investment restrictions?

Pursuant to the SEBI Regulations, the following investment restrictions are applicable to the Scheme:

- 1) A mutual fund Scheme shall not invest more than
 - a. 10% of its NAV in debt and money market securities rated AAA or
 - b. 8% of its NAV in debt and money market securities rated AA or
 - c. 6% of its NAV in debt and money market securities rated A and below by a single issuer.

The above investment limit may be extended by up to 2% of the NAV of the Scheme with the prior approval of the Trustees or Board of Directors of AMC subject to compliance within the overall 12% limit specified in clause 1 of Seventh Schedule of MF Regulation

Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the SEBI. As per SEBI Master Circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2023/74, with respect to investment in securitized debt (mortgage-backed securities / asset backed securities), restrictions at the originator level will not be applicable.
- 2) A mutual fund Scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities, other money market instruments and derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging; Provided that Mutual Fund Schemes may invest in unlisted non-convertible debentures up to a maximum of 10% of the debt portfolio of the Scheme subject to such conditions as may be specified by SEBI vide Para 12.1 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 as amended from time to time.

Provided further that for investments by mutual fund Schemes in unrated debt instruments maybe made subject to such conditions as may be specified by SEBI vide Para 12.1 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 as amended from time to time.

In accordance with SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, investment in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. by mutual fund Schemes shall be subject to the following:

 - a. Investments should only be made in such instruments, including bills re-discounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI Regulations and various circulars issued thereunder.
 - b. Exposure of mutual fund Schemes in such instruments, shall not exceed 5% of the net assets of the Schemes.
 - c. All such investments shall be made with the prior approval of the Board of AMC and the Board of Trustees.

- 3) Transfer of investments from one Scheme to another Scheme in the same Mutual Fund, shall be allowed only if,-
 - (i) such transfers are done at the prevailing market price for quoted instruments on spot basis. Explanation: "Spot basis" shall have the same meaning as specified by stock exchange for spot transactions.
 - (ii) the securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.

Further, provisions of para 12.30 of SEBI Master circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 and such other guidelines, shall also be complied with for such transfers.

- 4) A Scheme may invest in another Scheme under the same AMC or any other mutual fund without charging any fees, provided that aggregate inter-Scheme investment made by all Schemes under the same management or in Schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund.
- 5) The Mutual Fund will buy and sell securities on the basis of deliveries and shall in all cases of purchase, take delivery of relevant securities and in all cases of sale, deliver the securities. Provided that a mutual fund may enter into derivatives transactions in a recognised stock exchange, subject to the framework specified by SEBI. Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by RBI in this regard.
- 6) The Mutual Fund shall get the securities purchased or transferred in the name of the Mutual Fund on account of the concerned Scheme, wherever investments are intended to be of a long term nature.
- 7) In terms of Para 12.16 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, pending deployment of funds of the Scheme in securities in terms of the investment objective of the Scheme, the Mutual Fund may invest the funds of the Scheme in short term deposits of scheduled commercial banks subject to restrictions laid down under the SEBI Regulations from time to time. The following provisions shall be complied with:
 - a. Short Term" for parking of funds by Mutual Fund shall be treated as a period not exceeding 91 days.
 - b. Such short term deposits shall be held in the name of the concerned Scheme.
 - c. No mutual fund Scheme shall park more than 15% of the net assets in Short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with prior approval of the trustees. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the mutual fund in short term deposits.
 - d. No mutual fund Scheme shall park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
 - e. Trustee/AMC shall ensure that no funds of a Scheme may be parked in short term deposit of a bank which has invested in that Scheme. Trustee/AMC shall also ensure that the bank in which a Scheme has short term deposit do not invest in the said Scheme until the Scheme has short term deposit with such bank.
 - f. AMC shall not charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks.
- 8) A Scheme shall not make any investments in:
 - a. any unlisted security of an associate or group company of the sponsor; or
 - b. any security issued by way of private placement by an associate or group company of the sponsor; or
 - c. the listed securities of group companies of the sponsor which is in excess of 25% of the net assets.
- 9) The Mutual Fund/AMC shall make investment out of the NFO proceeds only on or after the closure of the NFO period. However, in terms of Para 1.10.3 of SEBI Master circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, the Mutual Fund/ AMC can however deploy the NFO proceeds in tri-party repo on government securities or treasury bills before the closure of NFO period. However, AMC shall not charge any investment management and advisory fees on funds deployed in tri-party repo on government securities or treasury bills during the NFO period. The appreciation received from investment in tri-party repo on government securities or treasury bills shall be passed on to investors. Further, in case the minimum subscription amount is not garnered by the Scheme during the NFO period, the interest earned upon investment of NFO proceeds in tri-party repo on government securities or treasury bills shall be returned to investors, in proportion of their investments, along-with the refund of the subscription amount.
- 10) The Scheme shall not make any investment in any fund of funds Scheme.
- 11) Save as otherwise expressly provided under SEBI Regulations, the mutual fund shall not advance any loans for any purpose.
- 12) The mutual fund having an aggregate of securities, which are worth Rs.10 crore or more, as on the latest balance sheet date, shall subject to such instructions as may be issued from time to time by

the Board, settle their transactions entered on or after January 15, 1998 only through dematerialised securities.

- 13) The mutual fund shall not borrow except to meet temporary liquidity needs of the mutual fund for the purpose of repurchase, redemption of units or payment of interest or distribution of amounts to the unit holders.

Provided that the mutual fund shall not borrow more than 20% of the net asset of the Scheme and the duration of such a borrowing shall not exceed a period of six months.

- 14) Pursuant to SEBI Master Circular dated June 27, 2024 the following norms for investment in derivatives shall be applicable.

1. The cumulative gross exposure through Equity, debt, money market instruments and derivative positions should not exceed 100% of the net assets of the Scheme.

2. The Scheme shall not write options or purchase instruments with embedded written options.

3. The total exposure related to option premium paid must not exceed 20% of the net assets of the Scheme.

4. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure.

5. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:

(i) Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.

(ii) Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in point 1 above.

(iii) Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.

(iv) The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.

6. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point 1 above.

7. Definition of Exposure in case of Derivative Positions:

Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

Position	Exposure

D. Other Scheme Specific Disclosures:

Listing and transfer of units	<p>At present, the Units of the Scheme are not proposed to be listed on any stock exchange. However, the AMC / Trustee may at their sole discretion list the Units under the Scheme on one or more stock exchanges at a later date.</p> <p>Transfer of Units</p> <p>Units of the Scheme shall be freely transferable by act of parties or by operation of law, subject to restrictions, if any, provided in the section "Restrictions, if any, on the right to freely retain or dispose off units being offered."</p> <p>AMC shall, on production of instrument of transfer together with relevant Unit Certificates, register the transfer and return the unit certificate to the transferee within thirty days from the date of such production.</p>
--------------------------------------	---

	<p>If held in demat form, they are freely transferable from one demat account to another demat account in accordance with the provisions of the Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996.</p> <p>If a person becomes a holder of the Units consequent to an operation of law or upon enforcement of a pledge, the AMC shall, subject to production of satisfactory evidence and submission of such documents by the transferee, effect the transfer, if the transferee is otherwise eligible to hold the Units of the Scheme. Similarly, in cases of transfers taking place consequent to death insolvency etc., the transferee's name will be recorded by the Fund, subject to production of satisfactory evidence. The provisions in respect of deletion of names will not be applicable in case of death of a Unit holder (in the case of joint holdings) as this is treated as transmission of Units and not as transfer. Investors may note that stamp duty and other statutory levies, if any, as applicable from time to time shall be borne by the investor.</p> <p>Further, in accordance with para 14.4.2 of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 on transferability of mutual fund units, investors /unitholders are requested to note that units held in electronic (demat) form shall be transferable under the depository system and will be subject to the transmission facility in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996 as may be amended from time to time.</p>
<p>Dematerialization of units</p>	<p>Pursuant to para 10.4.2 of SEBI Master Circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024; the unit holders of the Scheme shall be provided an option to hold units in demat form in addition to physical form. The following shall be applicable:</p> <ol style="list-style-type: none"> 1. The unit holder opting to hold units in demat form must provide their demat account details in the specified section of the application form. Such unit holder should have a beneficiary account with the depository participant (DP) (registered with NSDL / CDSL) and shall be required to indicate in the application form the name of the DP, DP ID Number and the beneficiary account number. The unit holder must mandatorily provide latest client investor master or demat account statement along with the application form. 2. Units held in demat form are transferable (except for Equity Linked Savings Scheme) in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996 as may be amended from time to time. Transfer can be made only in favor of transferees who are capable of holding units and having a valid demat account. 3. In case, the unit holder desires to hold the units in a demat/rematerialized form at a later date, the request for conversion of units held in non-demat form into Demat (electronic) form or vice-versa should be submitted alongwith a demat/remat request form to the DP directly and not to the AMC or the Registrar and Transfer Agent (RTA) of the Fund. The AMC shall then issue units in the desired form within two working days of the receipt of valid documents from the respective DP. The credit of the converted units shall be reflected in the transaction statement provided by the DP to its client. Similarly, request for redemption or any other non - financial

	<p>request shall be submitted directly to the DP and not to the AMC/ RTA of the Fund.</p> <ol style="list-style-type: none"> 4. For the units held in demat form investors will receive an account statement from their respective DPs not from AMC / RTA of the Fund. 5. Units will be credited in the demat account only based on fund realization. 6. The facility of availing the units in demat / remat form is available subject to such processes, operating guidelines and terms & conditions as may be prescribed by the DPs and the depositories from time to time. 7. Presently, the option to hold units in demat form shall not be available for systematic transactions like Systematic Transfer Plan (STP), Systematic Withdrawal Plan (SWP) etc. Such investors shall be mandatorily allotted units in physical form. <p>As per para 14.4.2 of SEBI Master Circular dated June 27, 2024 an option to hold units in demat form shall be available for SIP transactions. However, the units will be allotted based on the applicable NAV as per the SID and will be credited to investors demat account on weekly basis upon realization of funds. For e.g., units will be credited to investors demat account every Monday (or immediate next business day in case Monday happens to be a non-business day) for realization status received in last week from Monday to Friday. If an investor has opted to hold units in demat form for SIP transactions, he will be able to redeem / transfer only those units which are credited to his demat account till the date of submission of redemption / transfer request. Accordingly, redemption / transfer request shall be liable to be rejected in case of non-availability of sufficient units in the investor's demat account as on date of submission of redemption / transfer request</p>
Minimum Target Amount	The Mutual Fund seeks to raise a minimum subscription amount of Rs. 5 crores during its NFO period of the Scheme and would retain any excess subscription collected.
Maximum Amount to be raised(if any)	Not applicable
Allotment	<p>All applicants including applications received through ASBA on or before the date of closure of the NFO of the Scheme will receive full and firm allotment of Units, provided the applications are complete in all respects and are found to be in order, subject to the collection of the minimum target amount. All allotments will be provisional, subject to realisation of payment instrument and subject to the AMC having been reasonably satisfied about receipt of clear funds. Allotment to NRIs/FIIs will be subject to RBI approval, if required. NRIs should also attach a copy of the payment cheque / FIRC / Debit Certificate to ascertain the repatriation status of the amount invested. NRI Applicants should also clearly tick on account type as NRE or NRO or FCNR to determine the repatriation status of the investment amount. The AMC /RTA may ascertain the repatriation status purely based on the details provided in the application form under Investment and Payment details and will not be liable for any incorrect information provided by the applicants. Applicants will have to coordinate with their authorized dealers and banks to repatriate the investment amount as and when needed.</p> <p>The process of allotment of units will be completed within 5 business days from the date of closure of the NFO Period. For investors holding units under dematerialised mode, the statement of account shall be sent by the Depository Participant in accordance</p>

	<p>with SEBI (Depositories and Participants) Regulations, 1996. The AMC shall send confirmation specifying the number of units allotted to the applicant by way of an email and/or SMS's to the applicant's registered email address and/or mobile number as soon as possible but not later than five working days from the date of closure of the NFO Period (NFO) and / or from date of receipt of the request from the unit holder.</p> <p>The Trustee / AMC retain the sole and absolute discretion to reject any application. The AMC / Trustee may require or obtain verification of identity or such other details regarding any subscription or related information from the investor/unit holders as may be required under any law, which may result in delay in dealing with the applications, units, benefits, distribution, etc.</p>
Refund	<p>If application is rejected, full amount will be refunded within 5 business days of closure of NFO. If refunded later than 5 business days, interest @15% p.a. for delay period will be paid and charged to the AMC. The AMC will endeavour to refund the proceeds on the best effort basis either through electronic mode or physical mode. Refund by physical mode may include refund orders that will be marked "A/c payee only" and will be in favour of and be despatched to the sole / first Applicant, by registered post.</p> <p>In accordance with the SEBI Regulations, if the Scheme fails to collect the minimum target amount, the Mutual Fund and the AMC shall be liable to refund the money to the applicants under the Scheme.</p> <p>In addition to the above, refund of subscription amount to applicants whose applications are invalid for any reason whatsoever, will commence after the allotment process is completed.</p>

Accordingly, for all the transactions from the month of October 2011, the CAS shall be issued on or before 15th day succeeding month. CAS is a statement reflecting holdings / transactions across all the mutual funds by the investor. The CAS for each calendar month will be issued on or before fifteenth day of succeeding month to the investors who have provided valid Permanent Account Number (PAN). Due to this regulatory change, AMC shall now cease to send physical account statement to the investors after every financial transaction including systematic transactions. Further, CAS will be sent via email where any of the folios which are consolidated has an email id or to the email id of the first unit holder as per KYC records. Further, in terms of SEBI circular SEBI/HO/IMD/DF2/CIR/P/2016/89 dated September 20, 2016, each CAS issued to the investors shall also provide the total purchase value / cost of investment in each Scheme. 3. For folios not included in the Consolidated Account Statement (CAS), the AMC shall henceforth issue account statement to the investors on a monthly basis, pursuant to any financial transaction in such folios on or before fifteenth day of succeeding month. 4. The AMC shall issue a CAS every half year (September / March) on or before twenty first day of succeeding month, detailing holding at the end of the six month, across all Schemes of all mutual funds to all such investors in whose folios no transaction has taken place during that period. Further, in terms of para 14.4.3 of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, CAS issued for the half-year (ended September/ March) shall also provide: <ul style="list-style-type: none"> • The amount of actual commission paid by AMC/Mutual Fund to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each Scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention shall be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as goods and services tax (wherever applicable, as per existing rates), operating expenses, etc. • The Scheme's average total expense ratio (in percentage terms) along with the break up between investment and advisory fees, commission paid to the distributor and other expenses for the period for each Scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

In case the folio / account have more than one registered holder, the first named unit holder / guardian (in case of minor) shall receive the CAS.</p> <p>8. CAS shall not be issued to the investor who has not updated their Permanent Account Number (PAN) in their respective folios. The unit holders are requested to ensure that the PAN details are updated in all their folio(s).</p> <p>9. For this purpose, common investors across mutual funds shall be identified by their PAN.</p> <p>10. The statement of holding of the beneficiary account holder for units held in demat shall be sent by the respective DPs periodically.</p> <p>11. The word 'transaction' for the issuance of CAS shall include purchase, redemption, switch, IDCW payout, IDCW reinvestment, SIP, SWP, STP etc.</p> <p>12. Further, in accordance with SEBI circular CIR/MRD/DP/31/2014 dated November 12, 2014, investors are requested to note that a single consolidated view of all the investments of an investor in Mutual Funds and securities held in demat form with the depositories is being enabled.</p> <p>13. Consolidation of account statement shall be done on the basis of PAN and for PANs which are common between depositories and AMCs, the depositories shall send the CAS. In other cases, (i.e. PANs with no demat account and only MF units holding), the AMC / RTA shall continue to send the CAS to their unitholders in compliance with Regulations 36(4) of the SEBI (Mutual Funds) Regulations, 1996 and guidelines issued thereunder.</p> <p>14. Accordingly, the AMC / RTA shall provide the data with respect to common PANs to the depositories within three days from the month end. The depositories shall then consolidate and dispatch the CAS within ten days from the month end. AMC / RTA shall be responsible for the authenticity of the information provided through CAS in respect of Mutual Fund investments and timely sharing of information with depositories.</p> <p>15. The depositories and the AMC/RTA shall ensure data integrity and confidentiality in respect of shared information. The depositories shall utilize the shared data only for the purpose of providing CAS and shall not share the same with their depository participants.</p> <p>No Account statements will be issued to investors opted to hold units in electronic (demat) mode, since the statement of account furnished by depository participant periodically will contain the details of transactions</p> <p>The consolidated account statement/account statement will be sent by ordinary post / courier / email. Unitholders are requested to provide their e-mail ids for receipt of all correspondences including account statements using e-mail as the mode of communication. Unitholders whose e-mail id is available in the database of Baroda BNP Paribas Mutual Fund, electronic mail (e-mail) shall be the default mode of communication for those investors. In case, email address is not available, the AMC shall send all the communication, except for annual report or abridged summary thereof, monthly or half yearly statement of Scheme portfolio and such other statutory communications as maybe specified by SEBI, in physical copies at the address available in the records of the AMC. However, in case the unitholder submits a request to receive any communication, including abridged annual report, monthly or half yearly statement of Scheme portfolio, in physical mode then AMC shall provide the same within five working days from the date of receipt of request. If the Unitholder experiences any difficulty in accessing the electronically delivered account statement, the Unitholder shall promptly inform the Mutual Fund to enable the Mutual Fund to make the delivery through alternate means. Failure to inform the Mutual Fund of such difficulty within 24 hours after receiving the e-mail will serve as a confirmation regarding the acceptance by the Unitholder of the account statement.</p> <p>For further details, refer SAI.</p>
Dividend/ IDCW	<p>The IDCW payments shall be dispatched to the unitholders within 7 working days from the record date. However, no dividend (IDCW) option is available in this Scheme.</p>
Redemption	<p>As per the SEBI Regulations, the Mutual Fund shall despatch redemption proceeds within 3 working days of receiving a valid redemption / repurchase request subject to exceptional situations and additional timelines for redemption payments provided by AMFI vide its letter no. AMFI/35P/ MEM-COR/ 74 / 2022-23 dated January 16, 2023. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time, will be paid in case the redemption proceeds are not despatched within 3 business days of the date of valid redemption / repurchase request.</p> <p>In case an investor has purchased units on more than one business day (either during the New Fund Offer Period or through subsequent purchases) the units purchased first (i.e. those units which have been held for the longest period of time), will be deemed to have been redeemed first i.e. on a first-in-first-out basis.</p> <p>However, where Units under a Scheme are held under both distributor and Direct Regular Plan and the redemption / Switch request pertains to the Direct Plan, the same must clearly be mentioned on the request (along with the folio number), failing which the request would be processed from the distributor plan. However, where Units under the requested Option are held only under one Plan, the request would be processed under such Plan.</p> <p>The Redemption would be permitted to the extent of clear credit balance in the Unit holder's account and the number of Units held by the Unit Holder in the folio will stand reduced by the number of Units redeemed. The Redemption request can be made by specifying the rupee amount or by specifying the number of Units to be redeemed. If a Redemption request is for both, a specified rupee amount and a</p>

	<p>specified number of Units, the specified number of Units will be considered the definitive request. If only the Redemption amount is specified by the Unit holder, the AMC will divide the Redemption amount so specified by the Redemption Price to arrive at the number of Units. The request for Redemption of Units could also be in fractions, upto three decimal places. However, in case of units held in electronic (demat) mode, the redemption request can be given only in number of Units. Also Switch transactions are currently not available in case of units held in electronic (demat) mode. The minimum amount of Redemption may be changed in future by the AMC. If the balance in the account of the Unit holder does not cover the amount Redemption request, then the Mutual Fund is authorised to close the account of the Unit holder and send the entire such (lesser) balance to the Unit holder. It may, however, be noted that in the event of death of the unitholder, the nominee / legal heir (as the case may be), subject to production of requisite documentary evidence, will be able to redeem the investment.</p> <p>For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024.</p>
Bank Mandate	<p>Registration of multiple bank accounts</p> <p>Unitholders can also register multiple bank accounts in his folio. The "Change of Bank Mandate & Registration of Multiple Bank Account Form" shall be used by the unitholders for change in existing bank mandate or for registration of multiple bank account details for all investments held in the specified folio (existing or new). Individuals and HUF investors can register up to 5 bank accounts and non-individuals can register upto 10 bank accounts by filling up the Multiple Bank Registration Form. AMC / RTA shall adopt the same process of verification for the above registration as is applicable for change of bank mandate.</p>
Delay in payment of redemption / repurchase proceeds/dividend	<p>Beyond 3 working days from the date of receipt of redemption request, the AMC shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delays (presently @ 15% per annum).</p> <p>The AMC shall be liable to pay interest to the unitholders at rate as specified vide clause 14.2 of SEBI Master Circular for Mutual Funds dated June 27, 2024 by SEBI for the period of such delay.</p>
Policy on Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	<p>In terms of para 14.3 of SEBI Master circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, the unclaimed redemption amount and IDCW amounts (the funds) may be deployed by the Mutual Fund in money market instruments and separate plan of liquid Scheme / Money Market Mutual Fund Scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts only. Investors who claim the unclaimed amounts during a period of three years from the due date shall be paid an initial unclaimed amount along-with the income earned on its deployment. Investors who claim these amounts after 3 years, shall be paid initial unclaimed amount along-with the income earned on its deployment till the end of the third year. After the third year, the income earned on such unclaimed amounts shall be used for the purpose of investor education.</p> <p>The details of such unclaimed redemption/IDCW amounts are made available to investors upon them providing proper credentials, on</p>

	website of Mutual Funds and AMFI along with the information on the process of claiming the unclaimed amount and the necessary forms / documents required for the same.
Disclosure w.r.t investment by minors	<p>In case of minor application, AMC will register standing instructions till the date of the minor attaining majority, though the instructions may be for a period beyond that date. Prior to minor attaining majority, AMC shall send advance notice to the registered correspondence address advising the guardian and the minor to submit an application form along with prescribed documents to change the status of the account to "major". The account shall be frozen for operation by the guardian on the day the minor attains the age of majority and no fresh transactions shall be permitted till the documents for changing the status are received.</p> <p>"As per SEBI Master Circular dated June 27, 2024, "Investments (including through existing SIP registrations) in the name of minors shall be permitted only from bank account of the minor, parent or legal guardian of the minor or from a joint account of the minor with the parent or legal guardian."</p> <p>Further to note that the redemption/ Income Distribution cum Capital Withdrawal (IDCW) proceeds for investments held in the name of Minor shall continue to be transferred to the verified bank account of the minor (i.e. of the minor or minor with parent/ legal guardian) only. Therefore, investors must ensure to update the folios with minor's bank account details as the 'Pay-out Bank account' by providing necessary documents before tendering redemption requests / for receiving IDCW distributions.</p>

III. Other Details

A. Periodic Disclosures

Net Asset Value This is the value per Unit of the Scheme on a particular day. You can ascertain the value of your investments by multiplying the NAV with your Unit balance.	The AMC will calculate and disclose the first NAV(s) of the Scheme not later than 5 business days from the date of allotment of the Scheme. Thereafter, the AMC/Mutual Fund shall declare the Net Asset Value of the Scheme on every business day on AMFI's website (www.amfiindia.com) by 11.00 p.m. and also on its website (www.barodabnpparibasmf.in). The NAV shall be calculated for all business days. In case of any delay, the reasons for such delay would be explained to AMFI and SEBI in writing and the number of such instances would also be reported to SEBI on quarterly basis. If the NAVs are not available before the commencement of business hours of the following day due to any reason, the Mutual Fund shall issue a press release providing reasons and explaining when the Mutual Fund would be able to publish the NAVs. The NAV shall also be made available to Unit Holders through SMS upon receiving a specific request in this regard on its website.

Product Labelling (including Risk-o-meter)	<p>The Product labelling mandated by SEBI is to provide investors an easy understanding of the risk involved in the kind of product / Scheme they are investing to meet their financial goals. The Riskometer categorizes various Schemes under different levels of risk based on the investment objective, asset allocation pattern, investment strategy and typical investment time horizon of investors.</p> <p>Therefore, the Schemes falling under the same level of risk in the Riskometer may not be similar in nature. Investors are advised before investing to evaluate a Scheme not only on the basis of the Product Labelling (including the Riskometer) but also on other quantitative and qualitative factors such as performance, portfolio, fund managers, asset manager, etc. and shall seek appropriate advise, if they are unsure about the suitability of the Scheme before investing. As per SEBI Guidelines, Riskometer of the Scheme shall be reviewed on a monthly basis based on evaluation of risk level of Scheme's month end portfolios. Notice about changes in Scheme's Riskometer, if any, shall be issued.</p> <p>The product labelling assigned during the NFO is based on internal assessment of the Scheme characteristics or model portfolio and the same may vary post NFO when the actual investments are made.</p> <p>For latest riskometers of the Scheme and the Benchmark, investors may refer to the monthly portfolios disclosed on the website of the Fund viz. www.barodabnpparibasmf.in as well as AMFI website within 10 days from the close of each month.</p>

B. Transparency/NAV Disclosure

The AMC will calculate and disclose the first NAV(s) of the Scheme not later than 5 Business days from the date of allotment.

Thereafter, the AMC shall declare the Net Asset Value (NAV) of the Scheme on every Business Day on AMFI's website (www.amfiindia.com) by 11.00 p.m. and also on its website (www.barodabnpparibasmf.in). The NAV shall be calculated for all Business Days. In case of any delay, the reasons for such delay would also be explained to AMFI & SEBI in writing and the number of such instances would also be reported to SEBI on a quarterly basis. If the NAVs are not available before the commencement of business hours of the following day due to any reason, the AMC shall issue a press release providing reasons and explaining

when the AMC would be able to publish the NAVs. The NAV shall also be made available to Unit Holders through SMS upon receiving a specific request in this regard on its website.

The AMC shall disclose portfolio (along with ISIN) on a fortnightly and monthly basis for the Scheme on its website and on the website of AMFI within 5 days of every fortnight and within 10 days from the close of each month. The AMC shall also disclose portfolio (along with ISIN) as on the last day of the half-year (i.e. 31st March and on 30th September) for the Scheme on its website and on the website of AMFI within 10 days from the close of half-year.

The AMC shall within one month from the close of each half year, i.e. 31st March & 30th September, host a copy of its unaudited financial results on its website.

C. Transaction charges and stamp duty-

Pursuant to para 10.5 of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024; the AMC shall deduct transaction charges as per the following details from the subscription amount. The amount so deducted shall be paid to the distributor/agent of the investor (in case they have "opted in") and the balance shall be invested. The distributors shall have an option either to opt in or opt out of levying transaction charge based on type of the product.

1. **First time investor in Mutual Fund (across all the Mutual Funds):** Transaction charge of Rs. 150/- for subscription of Rs. 10,000 and above shall be deducted.
2. **Existing investor in Mutual Funds (across all the Mutual Funds):** Transaction charge of Rs. 100/- per subscription of Rs. 10,000 and above shall be deducted.
3. **For SIP** - The transaction charges in case of investments through SIP shall be deducted only if the total commitment (i.e., amount per SIP installment x No. of installments) amounts to Rs. 10,000/- and above. The transaction charges shall be deducted in 3-4 installments.
4. Transaction charges shall not be deducted for:
 - a. purchases /subscriptions for an amount less than Rs. 10,000/-
 - b. transaction other than purchases/ subscriptions relating to new inflows such as Switch/ Systematic Transfer Plan (STP), Systematic Withdrawal Plan (SWP) etc.
 - c. purchases /subscriptions made directly with the Fund (i.e. not through any distributor/agent).
 - d. Transactions through stock exchange.
5. The statement of account shall reflect the net investment as gross subscription less transaction charge and the number of units allotted against the net investment.
6. As per para 10.4.1 (b) of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, the upfront commission to distributors shall be paid by the investor directly to the distributor by a separate cheque based on the investor's assessment of various factors including service rendered by the distributor.

Stamp Duty:

Investors/Unit holders are requested to note that that pursuant to Notification No. S.O. 1226(E) and G.S.R 226 (E) dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of The Finance Act, 2019, notified on February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India, a stamp duty **@0.005% of the transaction value** would be levied on applicable mutual fund transactions. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchase/switch transactions (including reinvestment of amounts under IDCW option i.e. dividend reinvestment) to the Investors/Unit holders would be reduced to that extent.

Based on the SEBI circular no SEBI/HO/IMD/IMD-II DOF3/P/CIR/2021/604 dated July 26, 2021, to comply with the requirements of RTA inter-operable Platform for enhancing investors' experience in Mutual Fund transactions / service requests, the Qualified RTAs (QRTA's), Kfin Technologies Limited (Kfintech) and Computer Age Management Services Limited (CAMS) have jointly developed MFCentral - A digital platform for Mutual Fund investors.

MFCentral is created with an intent to be a one stop portal / mobile app for all Mutual fund investments and service-related needs that significantly reduces the need for submission of physical documents by enabling various digital / phygital services to Mutual fund investors across fund houses subject to applicable Terms & Conditions of the MFCentral platform. MFCentral will be enabling various features and services in a phased manner. MFCentral may be accessed using link <https://mfcentral.com/> (or its app in future).

With a view to comply with all provisions of the aforesaid circular, AMC/the Fund designates MFCentral as its Official Points of Acceptance of Transactions (OPAT) w.e.f. September 23, 2021.

Any registered user of MFCentral, requiring submission of physical document as per the requirements of MFCentral, may do so at any of the designated Investor Service centres or collection centres of Kfintech or CAMS.
