Change in Investment Pattern

Portfolio rebalancing due to short term defensive consideration :

Any alteration in the investment pattern will be for a short term on defensive considerations as per paragraph 1.14.1.2.b of the SEBI Master Circular dated June 27, 2024, the intention being at all times to protect the interests of the Unit holders and the Scheme shall rebalance the portfolio within 7 calendar days from the date of deviation. It may be noted that no prior intimation/indication will be given to Investors when the composition/asset allocation pattern under the Scheme undergoes changes within the permitted band as indicated above.

Portfolio rebalancing in case of passive breaches

In the event of deviation from mandated asset allocation mentioned above due to passive breaches, the rebalancing will be carried out in 30 business days. Where the portfolio is not rebalanced within 30 business days, justification for the same including details of efforts taken to rebalance the portfolio shall be placed before the Investment Committee and reasons for the same shall be recorded in writing. The Investment Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period in accordance with clause 2.9 of SEBI Master Circular dated June 27, 2024. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme.

Investment Strategy

The Scheme is a passively managed Fund of Fund which will employ an investment objective to generate returns that are linked to the returns generated by the underlying ETF, i.e. Angel One Gold ETF. Accordingly, the Scheme may buy/sell the units of Angel One Gold ETF either directly with the Fund or through the secondary market on the Stock Exchange(s). The Scheme will remain invested in the underlying scheme regardless of the prevailing gold price or future outlook for this asset class. The Scheme will invest at least 95% of its total assets in Angel One Gold ETF and it may hold up to 5% of their total assets in money market securities. The AMC shall endeavor that the returns of the Scheme shall correspond with that of Angel One Gold ETF.

Procedure and recording of investment decisions and risk control

All investment decisions relating to the Scheme will be undertaken by the AMC in accordance with the Regulations and the investment objectives specified in this Scheme Information Document. All investment decisions taken by the AMC along with justification in relation to the Scheme shall be recorded.

The designated fund manager of the Scheme will be responsible for taking the day-to-day investment decisions and will inter alia be responsible for asset allocation, security selection and timing of investment decisions.

Portfolio Turnover

As the Scheme will follow a passive investment strategy, the endeavor will be to minimize portfolio turnover subject to the exigencies and needs of the Scheme. Generally, as the Scheme is openended, turnover will be confined to rebalancing of portfolio on account of new Subscriptions and Redemptions.

A higher churning of the portfolio could attract high transactions of the nature of brokerage, custody charges, etc.

Risk Profile of the Scheme

Mutual Fund Units involve investment risks including the possible loss of principal. Scheme specific risk factors are summarized below:

- (i) Risks relating to investing in the Scheme :
 - (a) This being a Fund of Funds scheme, Investors will bear the expense ratio of the underlying scheme in addition to the expense ratio of the Scheme.
 - (b) The Scheme's performance may depend upon the performance of the underlying scheme. Any change in the investment policies or the fundamental attributes of the underlying scheme could affect the performance of the Scheme.
 - (c) The liquidity of the Scheme's investment may be restricted by trading volumes, transfer process and settlement periods. It may also be affected by the liquidity of the underlying ETF units. The liquidity for the Gold ETF units on the stock exchanges may be low and there might be an impact cost for liquidating the units on the exchanges. However, Authorised Participants are appointed for the underlying ETF to ensure that the market price of units is nearer to the NAV of the underlying Gold ETF units.
 - (d) The portfolio disclosure of the Scheme will be limited to providing the particulars of the underlying ETF where the Scheme has invested and will not include the investments made by the underlying ETF.
 - (e) The closing price of the units of the underlying ETF on stock exchange shall be used for valuation by the Scheme. In case the underlying ETF is not traded on any particular business day, then the NAV of the Scheme shall be derived based on NAV of the underlying ETF in accordance with the Valuation Policy. Any delay in declaration of NAV of the underlying fund may result in delay of the computation of the NAV of the Scheme.

- (f) The Scheme will subscribe/redeem directly with Fund according to the value equivalent to unit creation size as applicable for the underlying scheme subject to minimum execution value greater than Rs.25 crore or crores or such other amount as may be specified by SEBI from time to time. When Subscriptions/Redemptions received are not adequate enough for transaction directly with Fund, the Scheme will buy/sell units of the underlying scheme directly on the stock exchange without waiting for additional Subscription/Redemption.
- (g) The Scheme may invest in money market instruments from time to time, as per the asset allocation pattern, which will have a different return profile compared to gold returns profile.
- (h) As the Scheme is not actively managed, the underlying investments may be affected by a general decline in the domestic price of gold and other instruments invested in, by the underlying scheme. The Scheme will invest in the underlying scheme (viz. Angel One Gold ETF) and the AMC does not attempt to take defensive positions in declining markets. Further, the fund manager(s) do not make any judgment about the investment merit nor shall attempt to apply any economic, financial or market analysis.

Investments in the Scheme are subject to various risk factors, including but not limited to risks associated with:

- · Investing in underlying scheme viz. Angel One Gold ETF
- Settlement Risk
- Right to limit Redemptions
- · Investing in Money Market Instruments
- Portfolio rebalancing
- Segregated portfolio
- Investing in Government of India securities
- · Investing in TREPS segments

Please read the SID carefully for details on risk factors and risk mitigation strategies before investment

Instructions for filling up the Application Form

Background:

In its continuing endeavor to make the existing New Fund Offer process more efficient, SEBI introduced a supplementary process of applying in New Fund Offer, viz: the "Applications Supported by Blocked Amount (ASBA)" process. Accordingly, Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended have been amended for ASBA process. The salient features of circular no. SEBI/CFD/DIL/ ASBA/1/2009/30/12 dated December 30, 2009 available on SEBI website for "Additional mode of payment through Applications Supported by Blocked Amount (hereinafter referred to as "ASBA") are mentioned below for understanding the ASBA process:

- Meaning of ASBA: ASBA is an application for subscribing to a New Fund Offer (NFO), containing an authorisation to block the application money in a bank account.
- Self Certified Syndicate Bank (SCSB): SCSB is a banker to an issue registered with the SEBI which offers the facility of applying through the ASBA process. The list of SCSBs will be displayed by SEBI on its website at www.sebi.gov.in from time to time. ASBAs can be accepted only by SCSBs, whose names appear in the list of SCSBs displayed on SEBI's website. Investors maintaining their accounts in any of these Banks may approach one of the designated branches of these SCSBs for availing this facility. Further it may be noted that from time to time new banks register themselves as SCSBs who become eligible to provide these services and also the existing SCSBs designate additional branches that also provide this facility. An updated list of all the registered SCSBs, their controlling branches, contact details and details of their contact persons, a list of their designated branches which are providing such services is available on the website of SEBI at the address http://www.sebi.gov.in. Further these details are also available on the websites of the Stock Exchanges at http://www.bseindia.com and http://www.nseindia.com. Alternatively, investors may also contact the AMC, R&TA for information about the SCSBs or the ASBA process. These SCSBs are deemed to have entered into an arrangement with the Issuer and shall be required to offer the ASBA facility to all its account holders for all issues to which ASBA process is applicable. An SCSB shall identify its Designated Branches (DBs) at which an ASBA Applicant shall submit ASBA and shall also identify the Controlling Branch (CB), which shall act as a coordinating branch for the Registrar to the Issue, Stock Exchanges and Merchant Bankers. The SCSB, its DBs and CB shall continue to act as such, for all issues to which ASBA process is applicable. The SCSB may identify new DBs for the purpose of ASBA process and intimate details of the same to SEBI, after which SEBI will add the DB to the list of SCSBs maintained by it. The SCSB shall communicate the following details to Stock Exchanges for making it available on their respective websites. These details shall also be made available by the SCSB on its website:
 - Name and address of the SCSB (ii) Addresses of DBs and CB and other details such as telephone number, fax number and email ids.
 - (iii) Name and contact details of a nodal officer at a senior level from the CB.
- Eligibility of Investors: An Investor shall be eligible to apply through ASBA process, if he/she:
 - is a Resident Retail Individual Investor, Non Institutional Investor, QIBs, Eligible NRIs applying on non-repatriation basis, Eligible NRIs applying on repatriation basis i.e. any investor.
 - is applying through blocking of funds in a bank account with the SCSB; Such investors are hereinafter referred as "ASBA Investors‰
- ASBA Facility in Brief: Investor shall submit his / her Application through an ASBA Application Form, either in physical or electronic mode, to the SCSB with whom the bank account of the ASBA Investor or bank account utilised by the ASBA Investor (ASBA Account) is maintained. The SCSB shall block an amount equal to the NFO application Amount in the bank account specified in the ASBA Application Form, physical or electronic, on the basis of an authorisation to this effect given by the account holder at the time of submitting the Application. The Application Amount shall remain blocked in the aforesaid ASBA Account until the Allotment in the New Fund Offer and consequent transfer of the Application Amount against the allocated Units to the Issuers account designated for this purpose, or until withdrawal/failure of the Offer or until withdrawal / rejection of the ASBA Application, as the case may be. The ASBA data shall thereafter be uploaded by the SCSB in the electronic IPO system of the Stock Exchanges. Once the Allotment is finalised, the R&TA shall send an appropriate request to the Controlling Branch of the SCSB for unblocking the relevant bank accounts and for transferring the amount allocable to the successful ASBA Applicants to the AMC account designated for this purpose. In case of withdrawal/

- Rejection of the Offer, the R&TA shall notify the SCSBs to unblock the blocked amount of the ASBA Applicants within one day from the day of receipt of such notification.
- **Obligations of the AMC:** AMC shall ensure that adequate arrangements are made by the R&TA to obtain information about all ASBAs and to treat these applications similar to non-ASBA applications while allotment of Units, as per the procedure specified in the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.

Instructions on Controlling Persons / Ultimate Beneficial Owner

As per PMLA guidelines and relevant SEBI circulars issued from time to time, non-individuals and trusts are required to provide details of controlling persons [CP] / ultimate beneficiary owner [UBO] and submit appropriate proof of identity of such CPs/ UBOs. The beneficial owner has been defined in the circular as the natural person or persons, who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted and includes a person who exercises ultimate effective control over a legal person or arrangement.

A. For Investors other than individuals or trusts:

- (i) The identity of the natural person, who, whether acting alone or together, or through one or more juridical person, exercises control through ownership or who ultimately has a controlling ownership interest. Controlling ownership interest means ownership of/entitlement to:
 - more than 10% of shares or capital or profits of the juridical person, where the juridical person is a company.
 - more than 15% of the capital or profits of the juridical person, where the juridical person is a partnership.
 - more than 15% of the property or capital or profits of the juridical person, where the juridical person is an unincorporated association or body of individuals.
- (ii) In cases where there exists doubt under clause (i) above as to whether the person with the controlling ownership interest is the beneficial owner or where no natural person exerts control through ownership interests, the identity of the natural person exercising control over the juridical person through other means like through voting rights, agreement, arrangements or in any other manner.
- (iii) Where no natural person is identified under clauses (i) or (ii) above, the identity of the relevant natural person who holds the position of senior managing official.

B. For Investors which is a trust:

The identity of the settler of the trust, the trustee, the protector, the beneficiaries with 10% or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

C. Exemption in case of listed companies / foreign investors

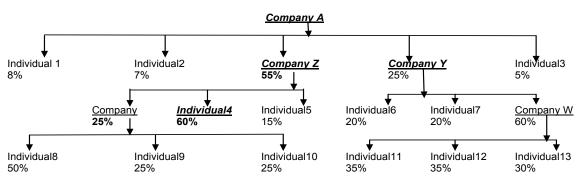

The client or the owner of the controlling interest is a company listed on a stock exchange or is a majority-owned subsidiary of such a company, there is no need for identification and verification of the identity of any shareholder or beneficial owner of such companies and hence exempted from UBO declaration provided other requisite information is provided. Intermediaries dealing with foreign investors' viz., Foreign Institutional Investors, Sub Accounts and Qualified Foreign Investors, may be guided by the clarifications issued vide SEBI circular CIR/MIRSD/11/2012 dated September 5, 2012 and other circulars issued from time to time, for the purpose of identification of beneficial ownership of the client.
