#### **Rebalancing of deviation due to short term defensive consideration**

Any alteration in the investment pattern will be for a short term on defensive considerations as per Para 1.14.1.2 of SEBI Master Circular dated June 27, 2024; the intention being at all times to protect the interests of the Unit Holders and the Scheme shall endeavor to rebalance the portfolio within 30 calendar days. It may be noted that no prior intimation/indication will be given to investors when the composition/asset allocation pattern under the Scheme undergoes changes within the permitted band as indicated above.

<b>Investment Strategy</b>	<p>The scheme follows an active investment strategy.</p> <p>The Scheme seeks to generate long term capital appreciation by investing in a diversified portfolio of equity, debt &amp; money market instruments, Exchange Traded Commodity Derivatives / Units of Gold ETFs / Silver ETFs &amp; units of REITs/InvITs.</p> <p>The scheme seeks to benefit from the concept of asset allocation. The aim of asset allocation is to provide superior risk adjusted returns through diversification across various asset classes like equity, debt and money market instruments, Exchange Traded Commodity Derivatives / Units of Gold ETFs / Silver ETFs &amp; units of REITs/InvITs which have historically had low correlation with each other.</p> <p>The investment objective of the Scheme is to seek long-term capital appreciation by investing across diverse asset classes such as equity, debt, and commodities. The Scheme employs a systematic, rules-based investment approach supported by a proprietary framework/model named SHAASTRA (Strategic Holistic Asset Allocation and Systematic Technical Risk Assessment), utilizing inputs such as fundamental data, macroeconomic indicators, valuations, and asset price movements. Asset allocation decisions within the Scheme are guided by this structured framework, which dynamically incorporates a range of relevant inputs. SHAASTRA helps the Scheme in systematically identifying opportunities across varying market environments, maintaining flexibility in asset allocation. The SHAASTRA framework/model will continue to evolve over time; however, its underlying philosophy and thought process will remain consistent. The structured investment process provided by SHAASTRA facilitates an objective assessment and consistent decision-making process, minimizing behavioral biases. By analyzing market data, economic cycles, and asset-specific</p>
----------------------------	--

information, SHAASTRA aids in proactively identifying trends and potential risks, allowing dynamic adjustments in exposures to equity, debt, and commodities. Although the investment strategy is predominantly driven by the structured data-driven framework provided by SHAASTRA, the final investment decisions are made by the Fund Manager. The Fund Manager retains the discretion to interpret the data contextually and adjust allocations in line with the Scheme's objectives, prevailing market conditions, and anticipated future developments to best serve the interest of investors. This integrated approach is designed to offer flexibility and adaptability to changing economic scenarios, aiming to optimize returns across market cycles.

(Detailed definition and applicable regulations/guidelines for each instrument is included in Section II)

**Though every endeavour will be made to achieve the objective of the Scheme, the AMC/Sponsors/Trustee does not guarantee that the investment objective of the Scheme will be achieved. No guaranteed returns are being offered under the Scheme.**

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies. The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

For detailed derivative strategies, please refer to SAI.

#### **Portfolio Turnover Policy**

Portfolio turnover is defined as lesser of purchases and sales as a percentage of the average corpus of the Scheme during a specified period of time. Portfolio turnover in the scheme will be a function of market opportunities. The scheme is open-end scheme. It is expected that there would be a number of subscriptions and repurchases on a daily basis. Consequently, it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio. The AMC will endeavour to optimise portfolio turnover to optimise risk adjusted return keeping in mind the cost associated with it. A high portfolio turnover rate is not necessarily a drag on portfolio performance and may be representative of arbitrage opportunities that exist for securities held in the portfolio rather than an indication of change in AMC's view on a security etc. However, the AMC will take advantage of the opportunities that present themselves from time to time because of the inefficiencies in the securities markets.

<b>Risk Profile of the Scheme</b>	Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:  <b>Risk associated with Equity and Equity Related Instruments</b> <b>Risk associated with Fixed Income and Money Market Instruments</b> <b>Risks associated with investing in Derivatives</b> <b>Risks associated with Short Selling</b> <b>Risk factors associated with processing of transaction through Stock Exchange Mechanism</b> <b>Risks associated with Securities Lending</b>  For details on risk factors and risk mitigation measures, please refer SID.

### 6. PREVENTION OF MONEY LAUNDERING AND KNOW YOUR CLIENT (KYC):

In order to reduce hardship and help investors dealing with SEBI Intermediaries, SEBI issued three circulars - MRSO/SEBI/ Cr-21/2011 dated October 05, 2011, MRSO/Cr-23/2011 dated December 02, 2011 and MRSO/Cr-26/2011 dated December 23, 2011 informing SEBI registered intermediaries as mentioned therein to follow, with effect from January 01, 2012, a uniform KYC compliance procedure for all the investors dealing with them on or

## INSTRUCTIONS TO HELP YOU COMPLETE THE MAIN APPLICATION FORM

After that date, SEBI also issued KYC Registration Agency ("KRA") Regulations 2011 and the guidelines in pursuance of the said Regulations and for In-Person Verification ("IPV").

All Investors (Individual and non-Individual) are required for KYC compliance. However, applications should note that minors cannot apply for KYC compliance and any investment in the Name of minors should be through a Guardian, who should be KYC compliant for the purpose of investing with a Mutual Fund. Also applicants/unit holders intending to apply for units currently holding units and operating their Mutual Fund folios through a Power of Attorney (PoA) must ensure that the issue of PoA and the holder of the PoA must mention their KYC compliance status at the time of investment. PoA holders are not permitted to apply for KYC compliance on behalf of the issuer of the PoA. Separate procedures are prescribed for change in name, address, and other KYC related details, should the applicant desire to change such information. POS will extend the services of effecting such changes. In line with the SEBI circular No. MBSDR/Cir-6/2012 dated April 19, 2012 and relevant other guidelines issued by SEBI on the procedural matters for KYC Compliances, the Investors are requested to note the following additional provisions shall be applicable for "KYC Compliances" with effect from December 1, 2012:

(i) In case of an existing investor of GMF and who is already KYC Compliant under the erstwhile centralized KYC with CIVL (CVLMF) then there will be no effect on subsequent Purchase/ Additional Purchase for ongoing SIPs/STPs/etc in the existing folios/accounts which are KYC compliant. Existing Folio holder can also open a new folio with Growth Mutual Fund with the erstwhile centralized KYC.

(ii) In case of an existing investor of Growth Mutual Fund and who is not KYC Compliant as per our records, the Investor will have to submit the standard KYC Application forms available in the website [www.civlra.com](http://www.civlra.com) along with supporting documents at any of the SEBI registered intermediaries at the time of purchase / additional purchase / new registration of SIP/STP etc. In Person Verification (IPV) will be mandatory at the time of KYC Submission. This uniform KYC submission would a one-time submission of documentation.

(iii) Investors who have complied with KYC process before December 31, 2011 (KYC status with CIVL/KRA as "MF - VERIFIED BY CVLMF") and not invested in the schemes of Growth Mutual Fund i.e. not opened a folio earlier, and wishes to invest on or after December 01, 2012, such investors will be required to submit 'missing/not available' KYC information and complete the IPV requirements.

Submission of missing / not available KYC information along with IPV is currently a one-time requirement and needs to be completed with any one of the mutual funds i.e. need not be done with all the mutual funds where investors have existing investments. Once the same is done then the KYC status at CIVL/KRA will change to 'Verified by CIVL/KRA' after due verification. In such a scenario, where the KYC status changes to 'Verified by CIVL/KRA', investors need not submit the 'missing/not available' KYC information to mutual funds again.

Individual Investors are required to submit 'KYC Details Change Form' issued by CIVL/KRA available on their website [www.civlra.com](http://www.civlra.com).

In case of Non-Individual Investors, complied with KYC process before December 31, 2011, KYC needs to be done afresh due to significant and major changes in KYC requirements.

Investors needs to provide the complete details in the KYC application form along with the required documents (for individual investors or non-individual investors as appropriate). The said form is available on GMF's website i.e. [www.growthmf.in](http://www.growthmf.in) or on the website of Association of Mutual Funds in India i.e. [www.amfiindia.com](http://www.amfiindia.com) or on the website of any authorized KRA's.

7. In case of NRI/ FPI Investors the Account Statements / Redemption Cheques / Other correspondence will be sent to the mailing address mentioned.

E. All applications are accepted subject to detailed scrutiny and verification. Applications which are not complete in all respects are liable for rejection, either at the collection point itself or subsequently after detail scrutiny/verification at the back office of the registrars.

### III. BANK DETAILS:

1. As per the SEBI guidelines, it is mandatory for investors to mention their bank account details in the application form; in the absence of the bank details the application form will be rejected.

2. Purchase Application requests should necessarily mention the pay-in bank account details i.e. bank name, bank account number, bank branch used for issuing the payments to the fund. If the documents are not submitted with the application the fund reserves the right to reject the application or cut for additional details. In specific exceptional situations where Third Party payment is permitted like (i) Payment by employer on behalf of employee under Systematic Investment Plan (SIP) facility, or lump sum / one-time subscription, through payroll deductions or deductions of expense reimbursements (ii) Payment by Corporate to its Agent/Distributor/Dealer (similar arrangement with principal-agent relationship), on

If the electronic credit is delayed or not affected or credited to a wrong account, on account of incomplete or incorrect information, GMF will not be held responsible. 4. GMF offers facility to register multiple bank accounts in the folio and designate one of the bank account as "Default Bank account". Default bank account will be used for all IDCW and redemption payments unless investor specifies one of the existing registered bank account in the redemption request for receiving redemption proceeds. A new non-registered bank account specified in the redemption request for receiving redemption proceeds will not be considered and the redemption proceeds will by default be credited into the default Bank account. The investor will have to initially get the non-registered bank account registered in the folio and then apply for the redemption request. Also if no registered bank account is mentioned at the time of redemption then by default the redemption proceeds will be credited into the default Bank account.

5. In accordance with the AMFI Best Practice Guideline Circular No. 12/2010-11 dated October 22, 2010 and Circular No. 30/V/2013-14 dated August 23, 2013 and to reduce operational risk, Investor(s) are requested to note that any one of the following documents shall be required to submit as a proof of Bank Account Details (for Redemption/IDCW), in case the cheque provided along with fresh subscription/new folio creation does not belong to the Bank Account Details specified in the application form for redemption / IDCW payment w.e.f. With a view to avoid fraudulent practices, it is recommended that investors may also make the payment instrument (cheque, demand draft, pay order, etc.) favouring either of the following: (a) "XYZ Scheme A/c Permanent Account Number" (b) "XYZ Scheme A/c First Investor Name". Investors are urged to follow the order of preference in making the payment instrument.
