DERIVATIVES STRATEGY The arbitrage strategies the Fund may adopt could be as under. The list is not exhaustive, and the Fund could use similar strategies and any other strategies as available in the markets. The fund will primarily take advantage of mispricing between equity spot and derivative markets: 1. Cash-Futures Arbitrage Strategies • Buy in cash market, sell in futures (when futures > spot). • Lock in spread till expiry or unwind early if profitable. • Rollover to next-month contracts when spreads are attractive. • Reverse Cash-Futures Arbitrage Strategy • If futures trade at discount, short spot (via stock borrowing) and go long futures. • Index vs Stock Futures Arbitrage Strategies • Identify divergences between index futures and constituent stock basket. • Trade mispricing with strict risk controls. 2. Corporate Action/ Event-Driven Strategies • Buyback/ Open Offer Arbitrage: Participate when buyback price > market price. • Merger/ Demerger Arbitrage: Exploit price differentials in merging entities vs swap ratio. • Dividend Arbitrage: Capture tax/timing-related dividend mispricing. 3. Complimentary Strategies • Debt: Deploy idle cash in short-term debt instruments (T-Bills, G-Secs) to generate risk-free yield. • ReITs/ InvITs: Use selective positions in liquid InvITs/ ReITs for yield pick-up For further details, refer to Scheme Information Document.				

	Though every endeavour will be made to achieve the objective of the Scheme, the AMC / Sponsor / Trustee does not guarantee that the investment objective of the Scheme will be achieved. No guaranteed returns are being offered under the Scheme.

Plans and Options	The Schemes have two Plans - Regular Plan & Direct Plan, with a common portfolio and separate NAVs. Regular Plan is for investors who wish to route their investment through any distributor. Direct Plan is for investors who wish to invest directly without routing the investment through any distributor. Each of the Plans offer the following options: - Growth Option - Income Distribution cum capital withdrawal (IDCW) Option Growth Option The income attributable to units under this Option will continue to remain invested and will be reflected in their Net Asset Value. IDCW will not be declared under this Option. Income Distribution cum Capital Withdrawal (IDCW) Option This Option provides for distributions subject to availability of distributable surplus, computed in accordance with SEBI (MF) Regulations. Investors should note that distributions can be made out of Equalization Reserves (representing accumulated realized gains), which is part of sale price paid by them. IDCW Option offers following Sub-Options / facilities - Pay-out of Income Distribution cum capital withdrawal (IDCW) option / facility - Reinvestment of Income Distribution cum capital withdrawal (IDCW) option / facility Default Option/Facility The investor must clearly specify his/her choice of Option/Facility in the application form, in the absence of which, the Default Option/Facility would be applicable and the application will be processed accordingly: Default Option: Growth Option (if the investor has not indicated choice between 'Growth' or 'IDCW' Options). Default Facility: Payout Option (in case Payout of IDCW Option / facility or Reinvestment of IDCW Option / facility is not indicated). Default - Redemption Where Units under a Scheme are held under both Regular and Direct Plans and the redemption / Switch request pertains to the Direct Plan, the same must clearly be mentioned on the request (along with the folio number), failing which the request would be processed from the Regular Plan. However, where Units under the requested Option are held only under one Plan, the request would be processed under such Plan. Existing Investments Investors wishing to transfer their accumulated unit balance held under Regular Plan (through lumpsum / systematic investments made with or without Distributor code) to Direct Plan will have to switch/redeem their investments and apply under Direct Plan. For detailed disclosure on default plans and options, kindly refer SAI.
Applicable NAV (after the scheme opens for subscriptions and redemptions)	Subscriptions/Purchases including Switch - ins: - In respect of valid applications received upto 3.00 p.m. on a Business Day at the official point of acceptance of transactions and where the funds for the entire amount of subscription/purchase as per the application/Switch-in request, are available for utilization before the cut-off time i.e. 3.00 p.m. - the closing NAV of the day shall be applicable. - In respect of valid applications received after 3.00 p.m. on a Business Day at the official point of acceptance of transactions and where the funds for the entire amount of subscription/purchase as per the application/Switch-in request, are available for utilization either on the same day or before the cut-off time of the next business day - the closing NAV of the next Business Day shall be applicable. - Irrespective of the time of receipt of application at the official point of acceptance of transactions, where the funds for the entire amount are available for utilization before the cut-off time on any subsequent Business Day - the closing NAV of such subsequent Business Day shall be applicable. In case of investments through Systematic Investment Plan (SIP), Systematic Transfer Plans (STP), as may be offered by the AMC, the units would be allotted as per the closing NAV of the day on which the funds are available for utilization irrespective of the instalment date of the SIP, STP or record date of IDCW etc. Since different payment modes have different settlement cycles including electronic transactions (as per arrangements with Payment Aggregators/Banks/Exchanges etc), it may happen that the investor's account is debited, but the money is not credited within cut-off time on the same date to the Scheme's bank account, leading to a gap/delay in Unit allotment. Investors are therefore urged to use the most efficient electronic payment modes to avoid delays in realization of funds and consequently in Unit allotment. Cut off timing for redemption / repurchases / switch-outs: - In respect of valid application received at the Official Points of Acceptance upto 3.00 p.m. on a Business Day by the Fund, the closing NAV of the day on which application is received shall be applicable. - In respect of valid application received at the Official Points of Acceptance after 3.00 p.m. on a Business Day by the Fund, the closing NAV of the next Business Day shall be applicable.
