Process for registration of Password based User on SPEED-e facility

1. APPLICABILITY

- 1.1. Client whose Mobile Number (Indian number) and Email ID is registered in demat account.
- 1.2. Individual Clients viz, Resident-Ordinary will be eligible to register using digital registration facility.
- 1.3. New registration process will be applicable for clients having Sole holder demat account. Demat Accounts held jointly will not be allowed.
- 1.4. All other Clients have to submit physical copy of SPEED-e Application form alongwith other necessary documents to Participants.

2. ONLINE REGISTRATION

- 2.1. Client has to visit <https://eservices.nSDL.com>
- 2.2. Client has to click on 'New user registration' tab and then click on 'SPEED-e' option. Please see below exhibit:

The screenshot displays the NSDL e-SERVICES website interface. At the top, the NSDL logo is on the left, and the text 'e - SERVICES' is prominently displayed. Below this, there are navigation tabs for 'ABOUT US', 'NSDL HOME', and 'CONTACT US'. The main content area is divided into several sections: 'INTERNET AND MOBILE INITIATIVES', 'SPEED-e' (Online delivery instruction Slip), 'IDeAS' (View your updated Transactions), 'STeADY' (Delivery of Contract Notes), and 'DAN' (Depository Account Validation). Each section includes a brief description and a 'Log in' button. A 'NEW!' banner is visible on the right side. On the left, a sidebar menu lists various services, with 'New user registration' highlighted in purple. Below the main content, there is a 'WELCOME' message, a 'NSDL crosses one crore demat accounts' announcement, and a 'FREE SMS ALERT' button. A note at the bottom states: 'Note : All Users are hereby requested to note that the application will not support Internet Explorer Version 8.0 and lower from 15th June'. On the right, a smartphone displays the NSDL Mobile Application interface.

- 2.3. After following aforesaid process, client has to click on **REGISTER** link which is highlighted in purple colour under '**A) Clients:-> Password Users**' section. Please see below exhibit:
